relocation guide for the us and canada advising people of natural and manmade threats and how to avoid or mitigate them based on your future location

most relocation guides tell you how to pack a box but the most expensive part of a move isn't the moving van it's what happens when you realize you've made a mistake and decide to move back at the time you most need to make critical decisions you're usually cut off from familiar friends family and resources mistakes can be costly in both money and emotion this book helps you avoid these mistakes from the moment you first consider a move to the moment you watch your possessions disappear into a moving van to the first six months and one year after you move publisher's description
