a book written by stepparents for stepparents about stepparenting albert and einstein know firsthand the joys and complexities of stepfamily living they separate myth from reality as they address tough stepfamily issues

brave new stepfamilies is an excellent treatise on today s families this volume is a welcome addition to the field of family studies and i highly recommend it jeanne brooks gunn columbia university a thorough balanced tour de force frances goldscheider university of maryland brave new stepfamilies maps the changing landscape of american stepfamilies taking readers on a tour through the diverse assortment of traditional and not so traditional stepfamily forms that have emerged in recent years

author susan d stewart presents the latest scholarly research on stepfamilies in an accessible way weaving together predominant theoretical perspectives findings from research and national surveys and interviews with stepfamily members key features investigates the social and demographic trends that have irrevocably altered stepfamily life while most books on stepfamilies focus on divorce and remarriage this book examines recent trends such as couples having children and living together outside of marriage parents sharing custody of children gay marriage the aging population and increasing racial and ethnic diversity that provide multiple pathways to stepfamily formation explores a wide range of living arrangements caregiving and intimacy scenarios this book captures the lived experience of contemporary americans extending across various household settings this book pays special attention to multihousehold stepfamilies stepparent adoption stepfamilies with adult stepchildren and african american stepfamilies provides practical information on the prevalence of stepfamilies in society counting the number of stepfamilies in society is difficult published estimates are sometimes unreliable this book describes the latest data sources trends in data collection and data limitations in addition useful information on the legal and practical realities of living as a stepfamily is provided intended audience this is an excellent text for a variety of advanced undergraduate and graduate courses on family such as divorce and remarriage stepfamilies family diversity gay and lesbian families aging and the family african american families and family policy in departments of sociology human development family studies psychology african american or ethnic studies and public policy

guess which couple got more of what they wanted charles and charlotte who worked out a negotiated settlement together or john and joyce who let the court settle their differences couples who want to negotiate their own divorce settlements now have a comprehensive self help guide complete with ground rules agendas for discussion sample forms and options for divorce mediation without bloodshed not quite a do it yourself manual you ll still need an attorney but packed with real couple examples of successful agreements on co parenting custody financial support college planning property insurance taxes an organized thorough guide to the important issues for every separating couple and an effective aid for those who seek professional mediation your chances of getting the outcome you want are best when you take control of the decision making process says martin kranitz director of the national center for mediation education in annapolis maryland couples can work out their own decisions if

they know what to talk about

among the 600 000 annual divorces that transpire within the united states almost all of them begin with a marriage crisis whether your partner told you they want to leave the marriage or you are wondering how to break the news that you want out this breaking point can be filled with overwhelming emotions worry about children becoming collateral damage and ill advised counseling that make navigating this process more frightening and confusing than it has to be these heartbreakin times can propel couples into a state of fear panic and uncertainty about what steps they should take sometimes leading them to divorce when reconciliation might have been possible known as the marriage crisis manager marriage and family therapist becky whetstone fills in these gaps by speaking to both partners on how to manage themselves and their relationship in the healthiest of ways regardless of the eventual outcome

note links below will take you articles and resources in the nonprofit break the cycle site formerly stepfamily information use your browsers back button to return to xlibris com love is not enough typical new stepparents and bioparents co parents usually find that building a multi home stepfamily is unexpectedly confusing and conflictual most recent stepfamily literature estimates that over half of american co parents who attempt re marriage after divorce or mate death ultimately re divorce psychologically or legally despite their love maturity commitment and experience the notes that it may be a stepparents first union thisunique guidebook results from 27 years research into why so many u s couples re divorce it appears that there are five factors that combine to often defeat loves brightest dreams unseen psychological wounds from childhood in stepfamily adults and kids and blocked grief from two or three major sets of losses in some co parents and or stepkids and co parent unawareness of a their inner family of subselfes and related psychological wounds b healthy grieving basics c vital parenting and relationship skills and d stepfamily realities and these factors and high neediness causing one or both partners to commit to wounded unaware people mate ex mate stepkids for the wrong reasons at the wrong time and little informed co parent support available in the media and their community my work as a stepfamily therapist since 1981 suggests that courting and re married partners can work patiently at 12 projects together to overcome these five re marital hazards and forge a strong nourishing re marriage

the authors hope you find this book to be special in its approach to adjustment and well being you will discover some underlying philosophies in their discussion of adjustment they believe human beings have the capacity to change to adapt and to effectively cope with stressful circumstances in their lives they believe that knowledge understanding awareness and insight are significant factors in adjustment they believe that adjustment takes effort work monitoring and persistence culture ethnicity and gender are important contexts of adjustment pref

explains how to rebuild your life after divorce and become a single parent or part of a stepfamily

a book for people in stepfamily situations to help them understand the complexities cope with the difficulties and reap the rewards a stepfamily situation has to offer illustrated
