an electrifying new biography about the four essex lads who became award winning stadium superstars and champions of synth pop jonathan miller's groundbreaking book features in depth interviews with founder member vince clarke and producers gareth jones and mark bell and contains never before seen interviews with the band members themselves with additional input from gary human howard jones and thomas dolby this is a unique portrait of a band that almost lost control when their lives went off the rails and lead singer dave gahan's heroin addiction nearly killed him in the end depeche mode not only survived they triumphed racking up a staggering 40 million plus album sales on the way this is their amazing story told in full

for the first time born out of the post punk backlash in the early 80 s depeche mode took their name from a phrase in a french style magazine and became the definitive international synth pop group vince clarke andy fletcher and martin gore had started out as an essex guitar band but it was their bright and upbeat synthesizer driven brand of pop fronted by dave gahan that was to find global acceptance and enjoy unlikely success in the us despite a handful of early plaudits in the music press the group won only intermittent critical acceptance over the years its often light musical approach contrasting with lyrics that sometimes plunge into darker topics like s m religious fetishism and the scourge of capitalism but whatever the music press said the fans finally bought into depeche mode in a big way their violator tour at the start of the 90s sold millions of records and turned them into major us concert stars in true rock style depeche mode s members have suffered their share of internal strife over a long career dave gahan reinvented himself as a lead singer with both a harder musical edge and a near fatal drug habit while internal acrimony often marred the later stages of their career jonathan miller has made an exemplary job of telling the depeche mode saga in its entirety and goes a long way towards explaining how the group have managed to thrive when almost all their post punk contemporaries fell by the wayside long ago

how do we begin to carry out such a vast task the examination of three millennia of diverse uses and influences of the biblical texts where can the interested scholar find information on methods and techniques applicable to the many and varied ways in which these have happened through a series of examples of reception history practitioners at work and of their reflections this volume sets the agenda for biblical reception as it begins to chart the near infinite series of complex interpretive events that have been generated by the journey of the biblical texts down through the centuries the chapters consider aspects as diverse as political and economic factors cultural location the discipline of biblical studies and the impact of scholarly preconceptions upon reception history topics covered include biblical figures and concepts contemporary music paintings children s bibles and interpreters as diverse as calvin lenin and nick cave

leni riefenstahl is larger than life from the lure of her persona as it enters our homes via television to our pleasure in the recognition of her film images at rock concerts to her place as part of the history of the nazi period riefenstahl lives on in our imagination and in our cultural productions thus the editors introduction to this volume examines the manner in which riefenstahl haunts debates on aesthetics and politics and how her legacy reverberates in the contemporary cultural scene the editors view the collection as a three part framework the essays in the opening section of the

book show that riefenstahl is still very much alive and well and controversial in popular culture her films continue to determine the way in which we think about the nazi period providing instantly recognizable images and messages that often go unquestioned we cannot separate these phenomena from riefenstahl s years of avid self fashioning the second section of the book offers treatments of the shifting mobile relationship between riefenstahl s stubborn attempts to create and control her personae and her reactions to others re appropriations of the meanings of her life and work reading the texts and discourses surrounding riefenstahl these scholars treat her memoirs and her repeated assertions about herself as a springboard into understanding anew how we might approach her films in a productive way the closing section of the volume comprises essays that go right to the heart of the matter riefenstahl s films and photography the new contexts theoretical discussions and emerging discourses that animate these essays include scarry s treatise on beauty justice and the global the problems of history and memory the place of riefenstahl s filmmaking technique in contemporary cinema and her appropriation of german musical traditions fueled by the work of a diverse range of scholars then riefenstahl screened offers an opportunity to rethink the place of leni riefenstahl and her work in contemporary culture and in academic discourse it insists upon a critical self examination that maps a topography of how scholars and teachers avail themselves of riefenstahl s corpus

you know what you like but can you remember we have the technology to create our own greatest hits collections but we all like to browse before we buy and the downloader s source book is the biggest shop window of them all with four decades of top 40 hits spanning two continents listed a z by artist and then song title this book is the essential companion for anybody in the digital music marketplace comprehensive and easy to use the fast multiplying ipod generation can only make the most of their new technology with the downloader s source book at their side
