exploring what the early english protestants came to believe about the afterlife and how they arrived at their positions this much needed book fills a gap in the scholarly literature in surveying the authorised doctrinal works of the english church through the reformation period the progress of eschatological thinking is traced from the earliest days of change to the solidification of the formularies which remain binding across the worldwide anglican church today fresh observations are made on some well known texts such as the books of common prayer articles of religion and official tudor homilies and these are complemented by commentary on surprisingly understudied documents of the period including primers catechisms and the paratexts of the early printed english bibles the result is a fascinating study of the english reformers navigation past both roman catholic and radical anabaptist beliefs and it shows that their arrival at a relatively barren destination was due in part to a complete switch in theological priorities and in part to a fear of the implications of formally adopting some of the highly contested views establishment eschatology will prove to be an important resource for students and scholars of england s early modern religious and cultural history

this accessible book provides an evaluative review of justice at the locus of the magistrates court written by a magistrate this book uses different case studies to aid discussion of the principles of justice and the theoretical process of the criminal justice system in england and wales its case studies consider individual and intersecting inequalities such as sex race class mental health sexuality age and disability speaking to students policy makers and practitioners readers can identify opportunities where justice can be developed as well as the challenges to justice from numerous perspectives which play out in the magistrates court a series of end of chapter questions encourage reflection and one chapter considers recommendations for the future of justice
