three faces of power offers the best of kenneth boulding bold innovative perspectives on past and present concepts his creative  
analysis lays the groundwork for important future debates about power boulding explains that power can be divided into three

major categories threat power economic power and integrative power turning general deterrence theory on its head he argues that the greatest error is to regard threat power as fundamental for it is not effective unless it is reinforced by economic and integrative power his conclusion has wide ranging application to everything from the nuclear weapons debate to intimate personal relationships power the word alone evokes images of great empires of human misery of personal triumphs and failures yet power has been and continues to be one of the most misunderstood concepts known to mankind now in a fascinating new volume kenneth boulding marshalls his remarkable intellectual talents to explore and analyze the nature of power three faces of power offers the best of kenneth boulding bold innovative perspectives on past and present concepts his creative analysis lays the groundwork for important future debates about power boulding explains that power can be divided into three major categories o threat power destructive in nature and applied particularly to political life o economic power resting largely on the power to produce and exchange items and on the constantly changing distribution of property ownership o integrative power based on such relationships as legitimacy respect affection love community and identity turning general deterrence theory on its head boulding argues that the greatest error is to regard threat power as fundamental for it is not effective unless it is reinforced by economic and integrative power his conclusion has wide ranging application to everything from the nuclear weapons debate to intimate personal relationships three faces of power provides a refreshingly optimistic and challenging call to a world future secured through the power of human interaction and knowledge it will prove essential reading for students and academics in all areas of the social sciences especially peace studies political science sociology family studies communication organizational studies social psychology and international relations with deft strokes of wit and delightfully apt analogies boulding shares his profound insights into the most important component of human relations power its manifestations in brutal exploitation in give and take relations among equals and in mutually nurturing cooperating human beings boulding s inimitable charm shines through the plain language of common experience on every page of this book for everyone anatol rapoport university of toronto original as always future survey this book is vintage boulding few people writing today in social science much less in economics give evidence of the broad erudition which boulding invariably displays he chooses examples of the points he wishes to make with breathtaking leaps through history and culture the reader who dips into this book by boulding is in for a challenging and thought provoking experience the journal of economic issues innovative and fascinating the futurist this is an immensely charming book easily readable written in a plain almost folksy prose style it glides effortlessly over its topic organization studies the value of reading this book is that of personal discovery besides the many

glittering economic ideas and suggestions lying about like diamonds in a field his essay provokes self knowledge you as an economist will know a lot more about yourself and the failures and successes of your profession after reading this book american journal of agricultural economics three faces of power is kenneth boulding s innovative and thought provoking study of power in which he categorically rejects the traditional importance of threat destructive power instead he offers a bold new thesis it is integrative power that is the most dominant and significant form of power in the sense that neither threat power nor economic power can achieve very much in the absence of legitimacy which is one of the more important aspects of integrative power well written and provocative three faces of power is both scholarly and down to earth undeniably three faces of power will stimulate much discussion about power but equally important it is an eloquent plea for peace international journal on world peace

examines how language functions in maintaining and changing power relations in modern society it discusses ways of analysing language which can reveal these processes how people can become more conscious of them and more able to resist and change them

this latest work on rural social work and the small community follows decades of research on understanding and working with such communities close to home explains the dynamics of small communities in terms that are essential for scholars of rural services and rural life the book covers the major issues facing human services delivery in small towns in some cases for the first time in the professional literature the book will be essential reading for students and human services practitioners who are working in or aspire to serve in small towns and rural areas

food aid policy to governance in the seed industry and international food safety standards
