this book is about meeting organizational goals through public relations writing at a historical moment when new technology and a fresh strategic vision make it possible to reconceptualize what public relations writing can accomplish

in this updated edition of the successful public relations handbook a detailed introduction to the theories and practices of the public relations industry is given broad in scope it traces the history and development of public relations explores ethical issues which affect the industry examines its relationships with politics lobbying organisations and journalism assesses its professionalism and regulation and advises on training and entry into the profession it includes interviews with press officers and pr agents about their working practices case studies examples press releases and illustrations from a range of campaigns including railtrack marks and spencer guinness and the metropolitan police specialist chapters on financial public relations global pr business ethics on line promotion and the challenges of new technology over twenty illustrations from recent pr campaigns in this revised and updated practical text alison theaker successfully combines theoretical and organisational frameworks for studying public relations with examples of how the industry works in practice

public relations contemporary issues and techniques offers a definitive guide to public relations management it provides comprehensive analysis and explanation of a full range of modern pr techniques spanning both inhouse and agency practice the text has involved fundamental restructuring and updating of existing material and the incorporation of the new techniques and strategies for instance the use of multimedia techniques in pr overseas media and the globalization of media communications the latest case examples notably new labour's rebranding and media management since 1997 government pr during the 2001 war against afghanistan and the 2002 football world cup the book presents the core strategies for successful pr combining this with indepth advice on implementation and the everyday techniques that every pr person needs to grasp with a range of new user friendly textual features the book's practical how to focus wedded to firm theoretical analysis makes it the ideal text for those studying for professionally accredited examinations such as the ipr cam and lcci awards it is also a useful aide memoire for all practising pr professionals

as a formal occupation public relations grew primarily in the united states through much of the twentieth century in recent years however it has spread rapidly throughout the world broad outlines on how public relations practices differ from country to country have only recently begun to take shape in scholarly writing about the field the existing literature on international public relations tends to focus on how those working for western organizations particularly multi national corporations can best practice abroad although useful such writings tend to focus on adaptation of western approaches not on development of new ones designed specifically for varied sociocultural settings around the world the editors have produced this book for a number of reasons there has been tremendous growth in the teaching of public relations around the world enhancing practice in many countries outside north america there has also been rapid growth in the number of professors who demand theoretical perspectives which might facilitate a unified comparative analysis across countries and regions only a few u s universities six documented in this book now teach courses formerly called international public relations however many professors are going abroad to teach and do research this suggests increased interest in and a need for courses dealing with international public relations furthermore there is a dearth of literature dealing in depth with international pr an important component of international communication this appears to be the first book length comparative analysis of public relations as practiced in various countries and regions around the world although existing books on international pr focus largely on ways in which western practitioners employers and clients can operate effectively in other countries this volume views public relations in each country or region covered from the perspective of practitioners in that country it contains six chapters designed to provide a theoretical anchor for the 14 country and region analyses given the intense interest in public relations education as a factor in professional enhancement it also discusses issues and practices relating to education

introduction to public relations strategic digital and socially responsible communication presents a comprehensive introduction to the field of public relations pr with a focus on new media and social responsibility recognizing that the shifts in technology business and culture require a fresh approach authors janis teruggi page and lawrence j parnell show students how today s pr professionals create persuasive messages with modern technologies while working in line with the industry s foundations the authors balance this approach with a focus on understanding communication theory history process and practice and how all these concepts can be applied to strategic pr planning the second edition features new and refreshed content throughout including cases chapter opening scenarios and profiles of both young and senior practitioners with tips and career guidance for student success included with this title the password protected instructor

resource site formally known as sage edge offers access to all text specific resources including a test bank and editable chapter specific powerpoint slides

in an engaging and accessible style mastering public relations takes a strategic management approach to providing a broader and deeper understanding through a well balanced interpretation of theory and practice for undergraduate diploma and cpd readers this non partisan wide ranging introduction sets public relations and its likely development in meaningful relevant context recurring themes include ethics social responsibility and international applications there are multiple case studies and examples numerous thought provoking questions and many more unusual topics included market 1 undergraduates studying pr either as straight pr or combined with other subjects e g marketing hnd hnc cpd cam and diploma courses market 2 mba students professionals responsible for managing pr communications business people on short management courses
