Keith Nickle provides a revised and updated edition of a well respected resource that fills the gap between cursory treatments of the synoptic gospels by new testament introductions and exhaustive treatments in commentaries in a clear and concise manner Nickle explores the major issues of faith that influenced the writers of the gospels The synoptic gospels is helpful for classroom or personal use

This introductory text introduces students of the bible to the layers of meaning that can be uncovered by serious study of the synoptic gospel texts

In this book respected new testament scholar Pheme Perkins delivers a clear fresh informed introduction to the earliest written accounts of Jesus Matthew Mark and Luke situating those canonical gospels within the wider world of oral storytelling and literary production of the first and second centuries cutting through the media confusion over new gospel finds Perkins's introduction to the synoptic gospels presents a balanced responsible

look at how the gospels of matthew mark and luke came to be and what they mean

tradition and authorship self witness of matthew question of order and independence language apostolic transmission of the gospel apostolic tradition the message the modern debate concerning ultimate origin self revelation of jesus christ

this volume collects the best articles on the synoptic gospels from the first fifty issues of the journal for the study of the new testament the range of the volume reflects the breadth of the journal itself here the reader will find ground breaking studies that introduce new critical questions and move into fresh areas of enquiry surveys of the state of play in this particular topic of new testament studies and articles that engage with each other in specific debates for undergraduates this book offers an invaluable critical introduction to synoptic gospel studies more advanced students and scholars can use it to find background material or to gain an overview of the research in this area of scholarship this builds on the reputation of jsnt as a conduit for first class research and a major influence within the scholarly community

noted evangelical scholars present the best contemporary insights into the three dominant views on the origins of the synoptic gospels

volume i of wilfred l knox s sources of the synoptic gospels was published posthumously in 1953 and focuses on the gospel of st mark

an essential textbook on the synoptic problem with a vast amount of illustrative material

mcknight critiques various interpretive methods and suggests how students with some knowledge of greek can benefit from different analyses

presents a logical assault upon the synoptic problem which develops into a general treatment of the major issues in new testament history this book offers an integrated case for early dates and traditional authorship of the three synoptic gospels and acts in opposition to the redundant hypothesis of q

this 1938 book reopened a question generally held to have been settled the sources from which st john derived the material for his gospel the accepted view that used the narratives of mark and luke mr gardner smith finds not proved examining the gospel afresh in order to test this theory

anyone who has done a serious study of the gospel of john and then sought to compare that gospel with matthew mark and luke found that they were immediately confronted with many differences over the years i have studied all the gospels and this has increased my interest in how others were handling these differences both in their teaching and in their sermons to my surprise most of the people consulted have never made an honest effort to have some answer for these differences furthermore i have not been able to locate any books that speak to the one problem of these differences

the dead sea scrolls inspired this book they accustomed me to the hebrew in use at the time of christ and quite easily i came to recognize in the greek of the gospel of st mark as though in transparency this same hebraic language which was simply carbon copied in greek but this intuition could be false and misleading it was therefore necessary to verify it scientifically from back cover
