murder something that happens an average of 63 times a day in the united states hidden

within those deaths are unsolved cases fitting a particular profile bodies with severe scarring and drained of blood killings of this nature have become cold cases as there has been no evidence left behind detective maxwell thorn specializes in these cases and has now brought said cases to close in four major cities in the last few years having just finished in atlanta a string of murders and missing now plagues boston detective thorn is called to boston after his most recent victory but not before a new wrinkle develops on his way out of atlanta unknown to the killers detective thorn is a hunter not just of criminals but one of the most dangerous predators of humankind the killer he searches for are unlike most his predators were created and have been discussed for over 600 years there is more to his cases and hunting than meets the eye max is the last of his kind and will find a prophecy unknown to him hangs over his head max will soon face his greatest challenge and discover who has orchestrated the string of murders that have led him to his newest destination is responsible for his previous stops hunters have come and gone through the centuries but max will uncover his destiny will max be up to this monumental confrontation or will he fall like all before him about the author born in california but raised in a small town in alabama travis simmons has had a lifelong need and desire to create beginning with new superheroes and wrestlers of his creation to poetry short stories and even wrestling booking travis has an affinity for vampires and the supernatural he has enjoyed those tales and stories since childhood he takes that love and puts it into this story one that has had several iterations over the last 25 years travis has brought them all together for not like the others when not creating the author enjoys spending time with his wife and three children as well as their dogs family and friends along with his love for creating travis follows professional wrestling mma football and baseball and never misses a big movie

technological advances and the way young people interact with them means children are thinking and processing information in an increasingly visual manner visualising literacy and how to teach it recognises that many if not most children are attracted to visual images and

uses this as a basis for introducing and developing a range of thinking skills and strategies for learning this practical resource offers a selection of visuals each accompanied by activities that give children practice in using their imaginations in different ways visualising literacy and how to teach it not only explores creative and critical thinking skills but also pays close attention to the overarching thinking skill that we call imagination the book contains around 150 practical activities that develop children s imaginations focussing on a range of thinking skills including but not limited to the following developing observational attentional skills noticing details focussing of attention assimilating visual information increasing experience of inferential thinking speculation dealing with generalisations boosting vocabulary empowering one s attitude towards exploring ideas learning different questioning techniques increasing the ability to empathise becoming comfortable with uncertainty and ambiguity many of the visualisation techniques can be applied to developing different aspects of emotional resourcefulness including empathy positive self image anchoring positive thoughts and modifying negative thoughts and feelings this is therefore an essential resource for any teacher or education professional who is keen on developing children s ability to think and express their own ideas

do you remember the 1959 game show where abc cancelled a tape featuring a female impersonator across the board ever heard of snip the 1976 sitcom starring david brenner that nbc canned just before it debuted almost everyone who has worked on a successful television series has also been on one that flopped even during the first thirty years of broadcasting when nbc cbs and abc were the only networks and not quite so quick to cancel unsuccessful programs hundreds of shows lasted less than one year this work tells the stories of those ill fated series that were cancelled within one year after their premieres the entries are arranged chronologically from the 1948 1949 through the 1977 1978 seasons and provide brief descriptions of the shows along with such facts as the type of program each series was its times dates and network its competition on other networks and

the names of the cast producer director and writer the book also includes information from more than 100 interviews with actors writers directors and producers who worked on the short lived television series
