women on their knees willing and ready to serve at a moment's notice will not distract me from my goal this place is a job nothing more until Lydia sweet dark haired Lydia proud and unbroken despite all attempts to crush her spirit at my hands she learns the untold pleasures a true master can give her even when there is pain especially when there is pain Lydia has a secret locked inside her head one that could unravel the very fabric of Miro's but they're going to execute her and I can't stop them content advisory this is a dark romance with dark themes please see my website [sophieisker.com](http://sophieisker.com) the surrender series for details

chapter one Lydia I'm not sure how the book got into my hands I've ignored the deep blue cover and the gilt lettering of the large volume for many lunars as I dust and clean my master's study it's forbidden to me and yet somehow I'm holding it I sound out the title with my new self-taught skills *la spen teer a tee a l a spentiratia* I screw up my nose as I struggle to translate the words the ancient ocean oh is it full of tales of imaginary aquatic beasts or is it about the real wonders of undersea life I scarcely breathe as the book falls open to a drawing of a magnificent sea creature the caption above the picture says *enor mer i pod enormeripod* the unfamiliar word rolls pleasingly over my tongue Lydia a horrified gasp comes from the doorway I shriek and the book falls to the carpet still open to the page I was studying I stare at Bena who stares back the older woman opens her mouth to speak perhaps to warn me but it's too late our master's large frame appears behind her I take in his shocked face for only a moment before I throw myself to the floor bowing so low my face flattens the carpet fibers my arms thrust forward in supplication master I cry out I'm sorry it's just so beautiful and I tried to ignore it and I don't know why terror chokes off any further speech Lydia his voice is stern but not angry Lydia look at me I lift my head but can't look him in the eyes so I stare at his feet it is a marvelous book isn't it I give a tiny nod yes master tears gather in the corners of my eyes he steps over to the book the page with the exquisite drawing lies open and incriminating oh yes that was one of my favorite creatures too my father gave me this book when I was ten he bends over picks it up and puts it back on the shelf then he sits down in the large desk chair and swivels around to face my still prostrate form Lydia you know what the rules are and you know what the consequences are it's a statement not a question I've known the law since my earliest memories as a child I tremble my head once more buried in the carpet as though humility can save me I think however it's possible that you were only holding the book not looking inside and that it didn't open until it fell to the floor I can scarcely believe that he's going to lie for me holding a book is bad but opening it more than doubles the penalty master I look up to him blinking to clear the tears he smiles at me master thank you my voice is so soft I'm not sure he hears me he leans over to cup my chin with a gentleness I don't deserve if this were a smaller matter we'd deal with it here at home but it's not and if I don't report it

someone else will i know sir there s no question of escaping the consequences master is fair but strict and the law is clear i m going to go enter your name on the list for the next punishment day and you won t clean in here anymore he shakes his head as he stands i m just glad you can t actually read it the consequences for that are dreadful as he leaves the room i struggle not to throw up on the expensive white carpet keywords sci fi captive forbidden love dark romance alternate universe dark romance sci fi sci fi romance series dark alien abduction romance completed series captive romance fated mates alien mates alien alpha dark sci fi romance intergalactic romance dystopian romance alpha male steamy
