william scoresby 1789 1857 made his first voyage in the whaler resolution from whitby to the greenland sea west of spitsbergen in 1800 three years later he was formally apprenticed to his father and another three years saw him promoted to chief officer on 5 october 1810 his twenty first birthday the earliest at which by reason of age i could legally hold a command his father moved to greenock and another ship relinquishing the resolution to his son another ten years would see the publication of what has been described as one of the most remarkable books in the

english language his two volume an account of the arctic regions with a history and description of the northern whale fishery 1820 even before he took command of the resolution two developments had occurred that when combined with his seamanship and whaling skill were to make that book the foundation stone of arctic science and cause the journals of his annual voyages to be remarkable accounts in their own right first scoresby had studied during two brief winters at the university of edinburgh teachers such as john playfair and robert jameson had made him aware of the scientific importance of his arctic experience together with sir joseph banks the president of the royal society they encouraged him to observe experiment and record and provided opportunities for his data to be published secondly this encouragement and the study habits he developed at edinburgh led scoresby to expand the logs of his arctic voyages into lengthy journals that contained scientific records and social and religious comment as well as detailed descriptions of navigation and whaling

this ambitious work chronicles 250 years of the cromartie family genealogical history included in the index of nearly 50 000 names are the current generations and all of those preceding which trace ancestry to our family patriarch william cromartie who was born in 1731 in orkney scotland and his second wife ruhamah doane who was born in 1745 arriving in america in 1758 william cromartie settled and developed a plantation on south river a tributary of the cape fear near wilmington north carolina on april 2 1766 william married ruhamah doane a fifth generation descendant of a mayflower passenger to plymouth stephen hopkins if cromartie is your last name or that of one of your blood relatives it is almost certain that you can trace your ancestry to one of the thirteen children of william cromartie his first wife and ruhamah doane who became the founding ancestors of our cromartie family in america william jr james thankful elizabeth hannah ruhamah alexander john margaret nancy mary catherine jean peter patrick and ann e cromartie these four volumes hold an account of the descent of each of these first generation cromarties in america including personal antidotes photographs copies of family bibles wills and other historical documents their pages hold a personal record of our ancestors and where you belong in the cromartie family tree

contains rules of both branches of the general court the constitution of the commonwealth and that of the united states lists of executive legislative and judicial departments of the state etc
