the required speed and strike rate which will increase their final score in the exam features of the online tests 1 the student gets to know his result immediately after the test is submitted 2 section wise test wise reports are generated for the candidate 3 performance report across the 5 test also gets generated as the student appears in the 5 tests

with its encouraging tone careful explanations and abundance of carefully sequenced and incrementally challenging exercise sets odyssey enables readers to view writing as a means of discovering more about themselves and their surroundings the text s organization and self contained chapters within each part ensure cumulative skill development and allow flexibility in course design in every chapter the book offers a progression of exercises that begin with comprehension and practice of fundamental concepts some exercise sets focus on invention and the writing of short pieces readers can then proceed to exercises that call for critical thinking drafting and revision grammar mechanics and punctuation chapters conclude with summary editing exercises that call upon readers to use all the grammar and sentence skills learned in the chapter many chapters contain a pair of discovering connections exercises the first which falls early in the chapter is a prewriting assignment with an array of topic possibilities the second is a drafting and revision exercise based upon the prewriting and calls for peer review for those interested in developing their writing skills at the paragraph to essay level

odyssey focuses on helping students build paragraph and essay writing skills while treating the writing process as a voyage of self discovery confidence building and competence building as with most traditional paragraph to essay writing books odyssey begins with a thorough overview of the writing process introduces the various patterns of development then demonstrates each pattern of development with various essay samples parts iv vi focus on improving grammar and paragraph development the book concludes with an anthology of readings that take students on a reading odyssey where selections cross genres and professions all exercises have been reorganized and streamlined in the fourth edition students will find newly titled comprehension and practice exercises that begin with a focus on fundamental concepts and then move into invention and the writing of short pieces students can then proceed

to challenge exercises that call for critical thinking drafting and revision interspersed throughout these questions sets are collaboration exercises which are ideal for pairs and or groups of students grammar mechanics and punctuation chapters conclude with chapter quick check and summary editing exercises that test students understanding of all the grammar and sentence skills they have learned
