my autobiography dives deep into the experiences i faced in my life it highlights my struggles to survive the odds through balance perseverance and independence on my journey to fulfilling my true calling as one of the most successful sought after and prosperous artists today by telling my real life stories i hope to educate my readers and help them to overcome their difficulties and live a satisfying life i give practical strategies that will teach them how to form good habits break bad ones and master the tiny behaviors that lead to remarkable results whether by finding new work achieving financial success or contemplating failure fear has a special place in our emotional life feeling anxious uncertain and overwhelmed our minds are designed to let fear in without it we d never survive but how do we keep suspicion away from restricting our ability to fulfil our

goals conquering fear is about self awareness and understanding our inner strengths often in the face of overcoming odds my book can be your guide to practicing and cultivating the personality traits needed to be successful

carole a feuerman s sculpture combines superrealist technique with a humanist approach to her subjects this first monograph on her work is filled with david finn s dramatic photographs covering two decades of her work including many enlarged details and multiple views providing a cinematic almost three dimensional experience the work in resin cast marble bronze and other materials often painted ranges from early erotic reliefs through full scale sculptures of athletes and nudes her women at their toilette are sculptural tours de force yet their intimacy recalls degas s works on similar themes recent fragments and body mappings are experiments with abstraction deconstruction and conceptualism at the same time that they explore the emotional life of their subjects penetrating to their spirit all of feuerman s work reflects the two aspects of her vision her work is motivated by questions about the nature of reality and her remarkable skill as an artist leads the viewer to the same questions yet beyond the simulacrum of reality feuerman also manages to convey the feeling behind the intense physicality the passion and sensuality behind the seemingly mundane pose book jacket title summary field provided by blackwell north america inc all rights reserved

carole a feuerman is celebrated as a pioneer and one of america s major exponents of hyperrealism in sculpture alongside duane hanson and john de andrea born 1945 and educated in new york and philadelphia she began as an illustrator before turning to sculpture in the 1970s soon gaining much recognition and early success her work has been displayed in many group shows and solo exhibitions at private galleries and public museums as well as at major art fairs in america europe and asia over five decades feuerman has created visual manifestations of stories telling of strength survival and balance her subject matter is the human figure most often a woman in an introspective moment of exuberant self consciousness shaded by erotic lassitude feuerman s works represent a female state of mind rather than an alluring body meant to attract the male gaze they suggest that women look at themselves differently from men looking at them that a woman is more innately creative than a man this book is the most comprehensive survey of feuerman s oeuvre to date lavishly illustrated in color throughout it demonstrates the variety of materials and media she uses and highlights the specific qualities of her figures
