all serious christians understand the importance of bible study but relatively few have a solid foundation in bibliology or an informed and thoughtful philosophy of the bible in introduction to bibliology jefrey breshears explores issues of vital interest and concern to christians and non christians alike regarding the content and authority of the bible including what is the bible if asked to define the bible without using the familiar cliche the bible is the written word of god how would you respond does the bible present a coherent consistent comprehensive and compelling worldview and philosophy of life is there a qualitative difference between the kind of inspiration that we encounter in scripture and that which motivates gifted writers speakers preachers composers and artists to produce their works why is it reasonable to believe that the bible was supernaturally inspired what are the origins of the bible and how were the early manuscripts composed what were the criteria by which certain books were included or excluded from the bible what are the basic principles that should guide our interpretation of scripture how can we be confident that the bible has been accurately preserved and transmitted through the centuries in this substantive yet digestible study jefrey breshears

addresses these and many other issues and concerns that every christian and non christian should know about the bible

in the face of the emboldened assault upon religious freedom christianity and bible doctrine this comprehensive introduction to systematic theology invites readers on a journey for anyone seeking the true meaning of life written in a concise abbreviated style that is organized for detailed study this is only one volume in a series covering a full range of theology examining in traditional systematic fashion bibliology soteriology christology and pneumatology concluding in second part with anthropology ecclesiology and eschatology it emphasizes the sovereignty of god and the infallibility of scripture while stressing the relevance of key convictions of christian faith and practice in today s world without prejudice through the lens of historical development preservation testimonials and an examination of reasons to trust the bible a step beyond traditional study of the bible several distinctive features make this introduction to systematic theology attractive to anyone with a sincere interest in getting to the bottom line a clear writing targeted for precision b technical terms kept to a minimum c relaxed tone appealing to various audiences d scriptural basis for doctrine e a contemporary edge and f reflective quotes this work includes an extensive bibliography and glossary designed to promote further reading and appreciation for systematic theology and critical thinking

4th edition one of the best outlined one volume books on theology in print dr harold l wilmington liberty university

bonhoeffer s writings include a significant amount of biblical interpretation but his potential contributions in the fields of biblical studies and theological exegesis of scripture have not been sufficiently explored this study reassesses some of his key exegetical writings in light of his theology of revelation and bibliology unfolding the ways in which his reading of the bible is determined by his theology of scripture through this analysis joel banman demonstrates that the uniting factor of bonhoeffer s biblical interpretation is not methodological but bibliological he reads scripture as the living word of the present christ

a theology for christian education written by dedicated professors of christian explain and defend the rationale for the influence of theology in christian educational theory describe the process of forming a theologically informed theory of christian education provide educational insights from a theological rubric and present the praxis approach theology theory informed practice for teaching and christian education

a study on the subject of the bible
