toward a postcolonial reading of the epistle of james offers an interpretation of jas 2 1 13 putting the text in the midst of the roman imperial system of rank this study shows that the conflict of the text has more to do with differences of rank than poverty and wealth the main problem is that the christian assemblies are acting according to roman cultural etiquette instead of their jewish christian heritage when a roman equestrian and a beggar visit the assembly the members of the assemblies are accused of having become too roman from a postcolonial perspective this is a typical case of hybrid identities additional key concepts from postcolonialism such as diaspora othering naming of oppressors and binarisms such as coloniser colonised centre margin honour shame and power powerless are highlighted throughout the study

winner of the 2020 eudora welty prize theorists emphasize the necessity of writing about or witnessing trauma in order to overcome it to this critical conversation reading testimony witnessing trauma confronting race gender and violence in american literature treats reader response to traumatic and testimonial literature written by and about african american women and adds insight into the engagement of testimonial literature eden wales articulates a theory of reading or dual witnessing that explores how narrators and readers can witness trauma together she places these original theories of traumatic reception in conversation with the african american literary tradition to speak to the histories cultures and traumas of african americans particularly the repercussions of slavery as witnessed in african american literature the volume also considers intersections of race and gender and how narrators and readers can cross such constructs to witness collectively reading testimony witnessing trauma s innovative examinations of raced gendered intersections open and speak with those works that promote dual witnessing through the fraught literary histories of race and gender relations in america to explicate how dual witnessing converses with american literature race theory and gender criticism the book analyzes emancipatory narratives by sojourner truth harriet jacobs and elizabeth keckley and novels by william faulkner zora neale hurston margaret walker toni morrison and jesmyn ward

this edited volume considers the ways in which european states and the european union can and should organize themselves economically and socially in order to address the challenges of sustainable development it will interest students and researchers of environmental policy and european politics

twentieth century literature about the distinction between explanation and und standing second can we do justice to a particular writer s notion of that category by taking at face value what he writes about his own motivation for adopting it in

response to both types of questions there is by now a consensus amongst many historians of science and of philosophy that a intellectual history like other kinds of history has to be careful not to uncritically adopt actors categories and b more generally even the actors own thinking about a particular issue has to be contextualized vis à vis their other intellectual commitments and interests as well as the complex conditions that make the totality of their commitments possible such conditions include cognitive as well as practical institutional and cultural factors the articles in this volume respond to these challenges in several ways for example one author christopher pincock seeks to read some of the nineteen century philosophical writings about erklären and verstehen as standing for a more fundamental problem which he terms the problem of the unity of experience
