this book traces water back to the most primitive animistic notions that are still lingering on in the shape of such rituals as qanat marriage or rain making water in the iranian philosophy is used in an attempt to find an explanation for the genesis of the universe as described in zoroastrian akhshij philosophy according to which water is one of the four fundamental elements of the creation the concept of time began to germinate in the iranian mind when they had to count the passage of time in order to divide their scarce water resources water became so omnipresent in iranian culture that it reached even the most mysterious seclusion of the sufi monks in iran s local communities water culture is a thread that runs through different types of production systems this book goes beyond indigenous water knowledge and traditional irrigation techniques and conceptualizes water as a pivotal element of iran s social identity cultural dynamics and belief systems where it examines the role of intermittent droughts in engendering and diffusing intangible cultural elements across the iranian plateau this book delves into iran s political organizations most of which were ensnared in a water dependent lifecycle constituting a historical pattern described in this book as hydraulic collapse

about the book with the revival of interest in islam in our times the qur an is also being read increasingly especially by the intellectuals muslims and non muslims alike however and although its message and central theme have been stated in unambiguous terms its translation fails to impart the same meaning with the same effect additionally the qur an deals with every subject of human concern and gives guidelines for application to life and society this increases its scope widely and requires on the part of the reader s knowledge of various disciplines for proper appreciation of its message it is specially important to know how the qur an was understood by those who received it first prophet muhammad saw on whom be allah s peace and his immediate followers second in order of interest and importance would be to know how the scholars of islam have understood it in every age

the volume provides a comprehensive record of the formative centuries of islam in iran

volume one of this book will discuss about the true gospel of jesus as which is about the imminent coming of the son of man and the establishment of the universal kingdom of god on earth we will emphasize the fact that the entire ministry of jesus as is all about the good news of the imminent fulfillment of the son of man prophecy and the kingdom of god

prophecy of prophet daniel as as written in the bible based on the correct context and interpretation the son of man mentioned by jesus as refers to prophet muhammad saw and the kingdom of god refers to islam volume two will discuss about the fulfillment of the 70 weeks prophecy of prophet daniel as that this prophecy is actually a countdown to know the year jesus as and muhammad saw will come on earth jesus as is expected to arrive in the 69th week of the countdown and prophet muhammad saw will arrive in the 70th week of the countdown its exact fulfillment in history such as the year of their birth the starting year of their ministry and the year their respective messianic mission will be accomplished is a miracle or sign from allah swt qur an 20 133 and a clear evidence qur an 61 6 attesting the veracity of the prophethood of both jesus as and muhammad saw this will explain to us why there are jews who knew what time or year jesus as will arrive on earth and why there were jews in yathrib arabia who knew what time or year muhammad saw will emerge as messenger of god

this book blends doctrinal and empirical research to examine the phenomenon of counter terrorism financing at the level of both international and iranian national law the work discusses the legitimacy fairness and effectiveness of the international counter terrorism financing framework and then examines to what extent iran has implemented it the main focuses of the book are on the criminalisation of terrorism financing financial regulations as preventive measures applied to the sectors at risk of terrorism financing including the formal financial system the informal financial system and the non profit organisations and the international and unilateral sanctions imposed on individuals and entities who support terrorist acts terrorists and terrorist organisations given that terrorism and terrorism financing are socio legal political and economic phenomena in nature the book approaches the problem of terrorism financing from an interdisciplinary perspective exploring the relationship between the characteristics of iran as a state recognised for supporting non state militant actors nsmas some of which are designated as terrorist by some countries empirical research includes documentary fieldwork in iran with the collection of original and primary materials that have not previously been analysed the book also adopts a policy transfer approach using the rules and regulations of the united kingdom presenting a non western perspective on counter terrorism financing the book will be essential reading for students researchers and policy makers working in the area of financial crime

with the scope of a philosopher and the precision of a scientist dr ahmed takes us on a journey through the labyrinth of islamic history offering unique insights into its own internal dialectic as well as its interactions with western civilization using pivotal personalities and critical events as guideposts he has brought forth the complex interplay of political social economic spiritual and religious currents within the large and diverse muslim world and their interconnections with global developments it is a book for the layman the historian the pundit and the policy maker alike at a time when islam takes roots in america and as it becomes a major force in shaping the destiny of man dr ahmed has used his clarity of thought and his lucid prose to convey the meaning of the muslim experience in history those who are interested in getting new perspectives and insights from the emerging community of muslim intellectuals in the west can find much food for thought in this book professor sulayman s nyang ph d department of african studies howard university washington d c legislator scientist educator and community leader dr nazeer ahmed is executive director of the american institute of islamic history and culture based in california after his graduation with distinction from the university of mysore india he entered the california institute of technology as an institute scholar 1961 where he earned ms and ae e degrees later he received a doctor of philosophy degree 1967 from cornell university and an mba from rider university dr ahmed was an elected member of the legislative assembly in bangalore india 1978 he was an elected delegate to the democratic national convention in atlanta ga 1988 from the 46th congressional district in california he is an inventor and holds fourteen united states patents his articles have appeared in the los angeles times and he has conducted extensive lecture tours in the united states india and malaysia speaking on history science and culture

this book offers a normative reconceptualization of a modern islamic governed state first joseph kaminski surveys the historical context of the trajectory of islamic thought and offers a unique discursive framework for reconceptualizing an islamic governed state that rejects secular enlightenment liberalism and instead is heavily grounded in ancient greek ideals of politics and political leadership despite heavily borrowing from greek thought the model offered remains firmly rooted in a shari ah based discursive ontological framework the volume explores topics of bureaucracy law democracy women in politics and economic justice further this volume presents case studies from turkey egypt tunisia and malaysia and utilizes the presented theoretical framework as a lens for analysis

the following short book discusses some lessons from the lives of the companions of the holy prophet muhammad peace and blessings be upon him other than the four rightly guided caliphs of islam abu bakkar siddique umar ibn khattab uthman ibn affan and ali ibn abu talib may allah be pleased with them whose lives have been discussed in separate books adopting positive characteristics leads to peace of mind

this work provides the historical background social context and other relevant information about the stories of the old testament in comparison to the same stories in the quran and in medieval quranic commentaries

includes entries for maps and atlases
