what s in your god box each of us says author anne robertson builds our own way of
understanding god our god box and fills it up with bits of scripture wisdom and our

experiences of god at work in our lives it s a perfectly good way to puzzle out what god means to us encountering god through our human limitations we learn something about the meaning of incarnation but to say that our experience of god is the only valid one is to put a lid on the box and create an idol this book is about examining our god boxes and bursting them wide open blowing the lid off the god box starts with the ministry of jesus who blew the lid off everyone s god box by constantly challenging his followers with the unexpected subsequent chapters examine the god boxes we create with scripture worship and political and social agendas

this is a must read book for all students studying early childhood at a range of levels and practitioners who are looking to deepen their understanding of play and playful practices

the grow guide represents to date the most documented and graphically illustrated complete grow guide ever published any where electronically or in print nothing can compare it is a step by step guide walking you through every step of cannabis cultivation from start to finish it is the alpha to omega of cannabis cultivation and takes you on a journey through one complete cycle creating the spark of life by awakening the seeds from their sleep nurturing the life within and slowly but surely helping the life to fulfil its entropic wyrd way to completion of harvest manicuring and curing the massive resin coated crystallised buds of magick medicine

each of the more than seven hundred entries in the dictionary contains a description of the historical background of each of the two types of language literal and nonliteral and provides an explanation for the relationship between them wherever possible dates of first record in english are provided along with the bibliographical sources of these dates and all of the works that record those terms and expressions are given in coded form as listed in the key to works cited a guide to reading the entries illustrates the typical form of an entry by analyzing an example from the dictionary that introduces five nonliteral expressions cites thirteen bibliographical sources and refers the reader to three other relevant entries by means of cross references following the dictionary proper is a classification of terms according to source in which nearly three hundred nonliteral terms and expressions are listed under the more than four hundred literal categories from which they derive

with calm and compassionate power yasmine is helping us to find our way back home back to our own selves layla saad new york times bestselling author of *me white supremacy* yasmine's work is monumental and i am in much better holistic alignment because of her dedicated and helpful offerings to the world alex elle author of *after the rain* a radical approach to setting boundaries and protecting your energy rich with tools for self healing imagine a glass jar filled with sugar on a kitchen counter you are the jar and the sugar is your energy if the jar has no lid people can come in and take as much sugar as they want sometimes they spill that sugar all over you may try to refill your jar replenish your energy through self care but because there is no a lid no protective boundary you cannot control how much of your vital life force is being drained the sugar jar metaphor is a powerful teaching tool that wellness advocate and coach yasmine cheyenne has successfully used with her clients now in her debut book she makes it available to everyone warm and honest featuring a beautiful and inviting two color design combining stories exercises and prompts the sugar jar lets you see just how much energy you have and how much is being used by others helps you identify what depletes you what restores you and how to recognize destructive patterns empowers you to free yourself from performing for and serving others teaching you to set boundaries to help you heal and recharge frees you from the excess stress and exhaustion that wears you down allows you to unleash your authentic self choose joy and find lasting balance a compassionate teacher cheyenne offers a unique and much needed perspective a former member of the air force working with victims of domestic violence she has specifically designed her approach and questions about boundaries self care and self healing for readers of all backgrounds and especially readers of color whose stressors and life challenges have too often been excluded and overlooked cheyenne herself has felt unwelcome as a black woman in predominantly white wellness groups and retreats her inclusive message speaks to the needs of bipoc readers and accepts them where they are the sugar jar shows you how to make small adjustments that can lead to big changes in your life
