this book should be made a part of any college level library that features holdings in social sciences
americans view crime and justice presents a national public opinion survey and its results on the issues
these edited results of a survey conducted in 1995 examine such issues as gun control capital punishment and juvenile crime offering public opinion along with the analyses of a panel of criminologists
the midwest book review readable and carefully edited americans view crime and justice reports and analyzes results from the recent national crime and justice survey ncjs the richest and most wide ranging investigation of public opinion on crime and justice issues in more than a decade conducted in june 1995 the survey features responses from 1 000 adults in the united states on now volatile issues such as fear of crime gun control capital punishment juvenile crime and additional related topics of national concern
a distinguished panel of criminologists analyzes the collected data in this volume to present a comprehensive report on the development and current status of public opinion on these timely issues divided into three sections context and framework findings and opinion policy and science
this authoritative volume also analyzes the implications of the survey data providing interesting insights and timely quantification of americans view of crime and justice this volume offers a unique view of public opinion particularly important to the work of researchers law enforcement personnel policy makers public officials and students of criminology and criminal justice law and political science

taking on one of the most popular issues of the day crime and the way we make sense of it
julian roberts and loretta stalans reveal the mismatch between the public perception of crime and the reality of crime statistics discussing such issues as public knowledge of crime sources of crime information information processing by the public public attitudes about crime and the effectiveness of punishment
this book considers the role that public opinion plays in the politics of criminal justice issues based on extensive data from the united states with comparisons with canada and the united

kingdom roberts and stalans reveal the truth behind how the public perceives crime and how this perception compares to actual criminal activity

for junior senior level courses in psychology of crime criminal behavior criminology and crime patterns this text uses a cognitive behavioral and interactionist approach integrating international theory and research and moving from broad theoretical explanations and descriptions of crime toward empirical research on specific criminal offenses the book examines the causes classification prediction prevention intervention and treatment of criminal behavior from a social psychological perspective the sixth edition presents the criminal offender as existing on a continuum ranging from the serious repetitive offender who begins his her criminal career at a very young age to the adolescent limited offender who usually begins offending during adolescence

this study began with the observation that although we live in a multiracial society many whites have little opportunity to obtain meaningful information about members of other racial groups through direct experience thus the media through the frames they offer for making sense of racial issues may play a critical role in shaping one's perceptions of others
