america for americans is dobry s attempt to explain some of the basic concepts of america things that the schools are not allowed to teach nowadays basic things like what is the idea of america what makes this country unique in the history of the world where does money come from and who decides how much each country gets we hear about everyone s constitutional rights but what are they why would anyone in their right mind want to destroy the constitution the one document that guarantees our protections against a tyrannical government what is socialism at least today s version of it can socialism really work long term in america what is the cost of socialism what is the socialist agenda what is the conservative agenda these are things that all americans need to understand well what we have and what we stand to lose america is at a critical point right now what we do in the 2020 elections will not only determine what kind of life we will have but also what kind of life our children and grandchildren and their children will have

and we need to be keenly aware of that will they live free or will they live as subjects under an all controlling government we need to consider that very carefully because your freedom is like your life once you give it up you won t get it back we all need to be well informed with the truth before we make decisions that will have irreversible consequences for the future generations of americans we have the right to throw away our own freedoms if we so choose we do not have the right to throw away theirs and it s not just about the 2020 elections it won t end there the fight to keep socialist forces from taking away americans freedom will go on until either they win or we defeat them there can be no compromise between freedom and slavery it s one or the other there is no middle ground

how was fdr s image constructed by himself and others as such a powerful icon in american memory in polls of historians and political scientists franklin delano roosevelt consistently ranks among the top three american presidents roosevelt enjoyed an enormous political and cultural reach one that stretched past his presidency and across the world a grand narrative of roosevelt s crucial role in the twentieth century persists the notion that american ideology embodied by fdr overcame the depression and won world war ii while fascism communism and imperialism and their ignoble figureheads fought one another to death in europe this grand narrative is flawed and problematic legitimizing the united states s cultural diplomatic and military role in the world order but it has meant that fdr continues to loom large in american culture in fdr in american memory sara polak analyzes roosevelt s construction as a cultural icon in american memory from two perspectives first she examines him as a historical leader one who carefully and intentionally built his public image focusing on fdr s use of media and his negotiation of the world as a disabled person she shows how he consistently aligned himself with modernity and future proof narratives and modes of rhetoric second polak looks at portrayals and negotiations of the fdr icon in cultural memory from the vantage point of the early twenty first century drawing on recent and well known cultural artifacts including novels movies documentaries popular biographies museums and memorials she demonstrates how fdr positioned himself as a rhetorically modern and powerful but ideologically almost empty container that deliberate positioning polak writes continues to allow almost any narrative to adopt him as a relevant historical example even now as a study of presidential image fashioning fdr in american memory will be of immediate relevance to present day readers

da c nouement de nu maw n fr the ultimate outcome to a complicated sequence of contributing events in this powerful and immensely readable book brian strobel diagnoses the subtle yet continuous changes experienced by american society over the last fifty years changes that have the potential to destroy the nation by showing how the decline of morality growth of government and impact of modern liberalism are combining with synergistic effects upon american society he makes the immediacy of this threat surprisingly clear this work challenges generally accepted aspects of society as its essence examines america from a historical philosophical and political perspective the concluding analysis of synergistic impacts draws on this earlier discussion and

relates choices that america must ultimately decide upon america s da c nouement presents an opportunity to assist in these choices by reviewing what america once was what it is now and what its future holds

containing full pedigree of all the imported thorough bred stallions and mares with their produce

do in god we trust the declaration of independence and other historical evidence prove that america was founded on judeo christian principles are the ten commandments the basis for american law a constitutional attorney dives into the debate about religion s role in america s founding in today s contentious political climate understanding religion s role in american government is more important than ever christian nationalists assert that our nation was founded on judeo christian principles and advocate an agenda based on this popular historical claim but is this belief true the founding myth answers the question once and for all andrew l seidel a constitutional attorney at the freedom from religion foundation builds his case point by point comparing the ten commandments to the constitution and contrasting biblical doctrine with america s founding philosophy showing that the bible contradicts the declaration of independence s central tenets thoroughly researched this persuasively argued and fascinating book proves that america was not built on the bible and that christian nationalism is in fact un american
