due to the long presence of muslims in islamic territories al andalus and granada and of muslims minorities in the christians parts the iberian peninsula provides a fertile soil for the study of the qur an and qur an translations made by both muslims and christians from the mid twelfth century to at least the end of the seventeenth the efforts undertaken by christian scholars and churchmen by converts by muslims both mudejars and moriscos to transmit interpret and translate the holy book are of the utmost importance for the understanding of islam in europe this book reflects on a context where arabic books and arabic speakers who were familiar with the qur an and its exegesis coexisted with christian scholars the latter not only intended to convert muslims and polemize with them but also to acquire solid knowledge about them and about islam qur ans were seized during battle bought copied translated transmitted recited and studied the different features and uses of the qur an on iberian soil its circulation as well as the lives and works of those who wrote about it and the responses of their audiences are the object of this book

the book explores eleven debates held at the bahraini council of representatives or the parliament over 2007 2010 to comprehend how parliamentary discourse contributes towards identity formation within bahraini society within the framework of critical

discourse studies the book traces the ideological struggle over power in the linguistic content of legislative discourse through a range of discursive strategies and devices the authors contend that the discursive choices across the political spectrum in the legislative debates reflected strong sectarian characteristics which contained in it the seeds of political unrest of 2011 the so called arab spring of bahrain parliamentary rhetoric and its resonance in the public sphere the authors argue revealed the underlying contradictions in bahraini society the book highlights the significance of legislative discourse as a platform of social cohesion and its instability being symptomatic of contradictions within society
