updated ed of targum and testament 1972

the relevance of the targums aramaic translations of the hebrew bible for the understanding of the new testament has been a matter of dispute over the past three hundred years principally by reason of the late date of the targum manuscripts and the nature of the aramaic the debate has become more focused by reason of the qumran finds of pre christian aramaic documents 1947 and the identification of a complete text of the palestinian targum of the pentateuch in the vatican library codex neofiti 1956 martin mcnamara traces the history of the debate down to our own day and the annotated translation of all the targums into english he studies the language situation aramaic and greek in new testament palestine and the interpretation of the scriptures in the targums with concepts and language similar to the new testament against this background relationships between the targums and the new testament are examined a way forward is suggested by regarding the tell like structure of the targums with layers from different ages and a continuum running through for certain texts

the value and significance of the targums translations of the hebrew bible into aramaic the language of palestinian jews for centuries following the babylonian exile lie in their approach to translation within a typically literal rendering of a text they incorporate extensive exegetical material additions and paraphrases that reveal important information about second temple judaism its interpretation of its bible and its beliefs this remarkable survey introduces critical knowledge and insights that have emerged over the past forty years including targum manuscripts discovered this century and targums known in aramaic but only recently translated into english prolific scholars flesher and chilton guide readers in understanding the development of the targums their relationship to the hebrew bible their dates language and place in the history of christianity and judaism and their theologies and methods of interpretation with clear presentation of current research and the issues involved including the targums and the new testament and a rich bibliography this is the most complete and up to date introduction to the targums an outstanding highly recommended achievement martin mcnamara emeritus professor of scripture milltown institute dublin ireland

a popular book by a world renowned scholar weighing up what the latest archaeological evidence can tell us about the historical jesus and his world currently there is a lot of interest in the historical jesus following the success of books such as the jesus family tomb bart ehrman s misquoting jesus and of course the da vinci code

in portuguese jews new christians and new jews claude b stuczynski and bruno feitler gather some of the leading scholars of the history of the portuguese jews and conversos in a tribute to their common friend and a renowned figure in luso judaica roberto bachmann on the occasion of his 85th birthday the texts are divided into five sections dealing with medieval portuguese jewish culture the impact of the inquisitorial persecution the wide range of converso identities on one side and of the sephardi western portuguese jewish communities on the other and the role of portugal and brazil as lands of refuge for jews during the second world war this book is introduced by a comprehensive survey on the historiography on portuguese jews new christians and new jews and offers a contribution to

Iuso judaica studies

the new testament writings allow only limited access to the interpretative traditions that lie beneath the claim that jesus resurrection took place according to scripture this book investigates the underlying principles of scriptural arguments in relation to jesus resurrection and the unstated interpretative moves that govern the selection and combination of texts relating to it novakovic s working hypothesis is that the davidic tradition supplied the primary scriptural categories for the claim that jesus was raised from the dead according to scripture this tradition was appropriated through two major thematic trajectories resurrection as the fulfillment of davidic promises and resurrection as the messianic enthronement we can also identify several related thematic trajectories such as the concept of the resurrection as the beginning of the new creation resurrection as the prophetic authentication and resurrection as the messianic rebuilding of the temple each thematic block is based on a specific use of scripture for the purpose of explaining the significance of jesus resurrection

book seven in a greatly successful visually driven yet content rich reference series the holman quicksource guide to the dead sea scrolls gives the reader a strong overview and understanding of the dead sea scrolls and their importance for christianity as outlined by esteemed professor and author craig a evans topics covered will include the discovery of the dead sea scrolls notes on the dead sea region the contents and dates of the scrolls who wrote and gathered them first and second generation scholars of the scrolls and more
