in this technological age we seem to be losing the art of reading for pleasure this book aims to bring that pleasure back by encouraging readers to rediscover the joys of literature from the benefits of reading widely and often to how to find the time to read in our busy lives nicoll shows us how reading can change our lives for the better this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work is in the public domain in the united states of america and possibly other nations within the

united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

this book aims to involve students directly and immediately in the process of intellectual inquiry pref

a beautiful celebratory tribute to the powers of one of our most undervalued skills an ideal gift for the avid reader what you are doing right now is cosmically speaking against the odds as young children we are taught to read but soon go on to forget just how miraculous a process it is this turning of scratches and dots into understanding unease and inspiration perhaps we need to stop and remember stop and learn again how to read better damon young shows us how to do exactly this walking alongside some of the greatest readers who light a path for us borges plato woolf young reads passionately selectively surprisingly from superhero noir to speculative realism from heidegger to heinlein and shows his reader how cultivating their inner critic can expand their own lives as well as the lives of those on the pages of the books they love

excerpt from lectures on the art of reading in two parts containing part i the art of reading prose part ii the art of reading verse the art itself has always been in the lowel t late us and that this proceeds from a me teaching it erroneous and defective to about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

the fine art of reading was cecil s inaugural lecture as goldsmiths professor of english literature at oxford in 1949 it is also the title of a collection of studies from which the present essay is taken like all his other works the piece combines scholarly attention to detail with accessibility to a general audience in an engaging

manner cecil assesses the relative merits of great authors and poets such as milton gray and shelley while stressing that the only important distinction is between good and bad art there are as many different kinds of good book as there are different kinds of good writer each has something to give us we should admire each in so far as he strikes us as good in his particular kind in order to properly appreciate good writing we need to cultivate a point of view from which a work's aesthetic qualities occupy our centre vision this happens naturally with other art forms such as music where the appeal is purely aesthetic proper reading is an art in itself and david cecil is the finest of instructors

examines the wonderful feeling of engaging with a novel or short story on all levels and learning how artful readers think about and approach the works they read

this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work was reproduced from the original artifact and remains as true to the original work as possible therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work as a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

this is a reproduction of a book published before 1923 this book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process we believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide we appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book

the lost art of reading by gerald stanley lee published in 1902 is a thought provoking

exploration of the importance of reading and its role in shaping individual character and society in this seminal work lee reflects on the decline of reading as a form of deep engagement with ideas and argues for its revitalization in an increasingly distracted and superficial culture lee begins by lamenting the loss of the art of reading in modern society where people are inundated with information but often lack the patience or inclination to engage deeply with books he argues that reading has become a lost art replaced by superficial forms of entertainment and distraction that fail to nourish the mind and soul throughout the book lee explores the transformative power of reading emphasizing its ability to broaden perspectives deepen empathy and cultivate moral and intellectual growth he celebrates the unique intimacy of the reader book relationship where the reader is invited into the world of the text and engages in a dialogue with the author s ideas and insights lee also reflects on the societal implications of the decline of reading arguing that a culture that neglects the importance of reading is at risk of losing its moral and intellectual compass he warns against the dangers of a society that prioritizes entertainment over enlightenment and urges readers to reclaim the lost art of reading as a means of personal and societal renewal the lost art of reading is a timeless meditation on the value of reading in an age of distraction and superficiality lee s impassioned defense of reading as a form of intellectual and spiritual engagement continues to resonate with readers today inspiring them to rediscover the joys and benefits of deep and thoughtful reading

reprint of the original first published in 1883
