55 off for bookstores now at 23 95 instead of 33 95 are you looking for the ultimate guide on sex positions then keep reading if you are asked to make a list of the things that lead to a great marriage what would be your response many people would talk about commitment communication respect and many other factors only a few people may include sex because people overlook the fact that sex creates an intimacy that helps to sustain other factors in the relationship in some religious doctrines couples are taught that sex is only necessary for procreation these kinds of

couples would interpret sexual acts aside from the need for procreation as not too welcome because of their conservative beliefs others do not properly discuss sex with their partners and things dwindle as a result of lack of intimacy just because you've popped out one or two kids does not mean you should retire from the act of having sex because it is important do you care to know why sex in a successful relationship has to give both partners pleasure and they both should be able to express themselves when your relationship was in its early stages you probably thought that sex happened as a result of the romantic attraction you share now that your relationship is aging and you are probably no longer having as much sex as you used to you may interpret it as a lack of attraction don't wait until there's a spark between you and your partner use sex to create the spark you want sexual intercourse has a lot of positive physicals emotional social and intellectual benefits think of anything you want to feel sex can help you feel it sex helps you create intimacy in your relationship partners who have great sex have a better confidence boost than others when your experience in bed is good you will develop a kind of high that makes you feel strong and confident in the other parts of your life when your sexual life is good your self esteem is good you begin to feel more attractive and desirable this feeling changes the way we see ourselves and do things go on your street and tell a random person that they are beautiful of course they'd smile but after the smile they'd walk away with a different gait and carriage than they possess before feeling attractive makes us think about positive things this book covers the following topics intimacy pre sex sex positions orgasm sex position for pregnant women sex positions for insecurity anxiety and premature ejaculation fantasies fetishes why there's need for sex and the use of different sex positions in a relationship communication and more when you increase the sex in your relationship you have a high level of intimacy when you kiss and touch each other you release oxytocin this gives you the urge to bond and an increased desire to cuddle and hold each other the more sex you have the more you'd always want to be close to your partner's body you will begin to think of your partner as a refuge from all external worries and this will go a long way in increasing the bond you share so do you want to learn more buy now your paperback book
