Ecce Romani a latin reading course was first published in 1971 its aims are to bring pupils quickly to the point where they can read latin with confidence and also to give them some insight into life in the early roman empire the reading passages are written in a lively style and grammatical information is dealt with efficiently and sensibly this second edition is the result of a complete revision and now provides better preparation for examinations at 16 it consists of five course books each with an accompanying book of teacher's notes two companion reference books and a roman studies handbook containing bibliographical references

this hardcover edition contains chapters 1 through 27 of the storyline plus outstanding support for word study roman life frontier life history and mythology view the ecce romani interactive textbook

this hardcover edition contains chapters 28 through 54 of the storyline plus outstanding support for word study roman life frontier life history and mythology the 4th edition does not offer softcover split editions of ecce romani ii view the ecce romani interactive textbook

most critics and commentators on the aeneid refer to virgil s audience as readers yet before the advent of printing texts were neither quantitatively multiple nor qualitatively identical furthermore the formatting of texts was not especially reader friendly this book focuses on chirographic manuscript texts as generally being performed orally and processed aurally chirographic texts retained a massive oral residue the realities of reciting to a listening rather than a reading audience presented a different set of problems to an ancient author than those faced by a modern author writing for a typographically literate audience

a comprehensive reference tool in humanities computing essays in nine disciplines describe resources and introduce the state of humanities computing platform price system requirements and means of acquisition are noted with substantial descriptions of each project plus review citations
