for nearly a decade teaching for diversity and social justice has been the definitive sourcebook of theoretical foundations and curricular frameworks for social justice teaching practice this thoroughly revised second edition continues to provide teachers and facilitators with an accessible pedagogical approach to issues of oppression in classrooms building on the groundswell of interest in social justice education the second edition offers coverage of current issues and controversies while preserving the hands on format and inclusive content of the original teaching for diversity and social justice presents a well constructed foundation for engaging the complex and often daunting problems of discrimination and inequality in american society this book includes a cd rom with extensive appendices for participant handouts and facilitator preparation

winner of the 2016 nyasa book award presented by the new york african studies association when students are introduced to the study of diversity and social justice it is usually from sociological and psychological perspectives the scholars and activists featured in this anthology reject this approach as too limiting insisting that we adopt a view that is both transdisciplinary and multiperspectival their essays focus on the components of diversity social justice and inclusive excellence not just within the united states but in other parts of the world they examine diversity in the contexts of culture race class gender learned ability and dis ability religion sexual orientation and citizenship

and explore how these concepts and identities interrelate the result is a book that will provide readers with a better theoretical understanding of diversity studies and will enable them to see and think critically about oppression and how systems of oppression may be challenged

how does the council of europe put into practice its commitment to the promotion of a culture of democracy through education over the past decade or so our societies have been facing increasing difficulties in reconciling acceptance of diversity and social inclusion with the need for community the search for simple solutions to complex problems the fact that fake news and alternative facts are no longer seen as nonsensical expressions our responses to migration and the refugee crisis and the growth of populism in many parts of europe present challenges to our societies and not least to education authors from europe north america and south africa outline how higher education could respond to these challenges the first section makes a strong case for the continuing importance of higher education and research to modern society the second focuses on higher education institutions and the need for inclusive and diverse campuses the third section considers opportunities to improve the inclusion of refugees and immigrants in higher education whereas the focus in europe is mostly on refugees in the united states it is largely on immigrants further accentuated by the debate on the dreamers

this book offers educational and psychological perspectives to inform practice and increase options in addressing conflict situations the first part of the book helps the educator understand the reasons for resistance and ways to prevent it the second part explains how educators motivate dominant groups to support social justice this book is an excellent resource for group facilitators counselors trainers in classrooms and workshops professors teachers higher education personnel community educators and other professionals involved with educating others about diversity and equity
