alberta authorized teaching resource for english language arts grades k 1 2 3 1999

written by an outstanding scholar phonics they useseamlessly weaves together the complex and varied strategic approaches needed to help students develop reading and spelling skills long positioned and long respected as a bestseller by both pre service and practicing teachers of reading this affordable text offers a coherent collection of practical hands on activities that provide a framework for teaching

phonics the fourth edition continues to emphasize that what matters is not how much phonics students know but what they actually use when they need phonics for decoding a new word for reading and spelling a new word and for writing rather than subscribe to a single theory pat cunningham stresses a balanced reading program incorporating a variety of strategic approaches tied to the individual needs of children packed with new activities and strategies for teaching reading this book is an invaluable resource for any new or veteran teacher now teachers have access to a new grade level series making words that offers fresh multi level activities and lessons for the kindergarten through fifth grade classroom based on the active and innovative approach to making words that teachers and their students have grown to love in phonics they use this new series is the best resource you can have on hand for motivating your students to learn words take a peek at what's new to the edition new chapter on making words in kindergarten ch 4 describes and provides sample lesson plans on how teachers can make each kindergarten student a letter of the alphabet using a big letter card to teaching them how to begin to form words new chapter on making words in upper grades ch 11 describes and provides sample lessons on how making words has been adapted for use of older students in upper grades by emphasizing the prefixes suffixes roots and spelling changes that are the important decoding and spelling patterns for polysyllabic words inclusion of hints and suggestions for english language learners scattered throughout the chapters which help make phonics and spelling instruction more successful for ell's as they learn to read and write these for english language learner boxes include a variety of ways teachers have adapted the phonics they use activities to include their children learning english

why should you teach phonics in a proactive manner because it is the first step to introducing english as a foreign language teaching proactively means that the child should be taught the sound of the letter and not the letter name this way children learners will be given more chances to produce the sound than to identify the name start learning phonics today

a balanced approach to literacy instruction provides students with a strong background in using a balanced approach to literacy instruction using the national standards for english language arts as a guide the book calls for classroom teachers to become knowledgeable of and to master several literacy instructional practices applying each when appropriate a wide variety of literacy instructional practices are clearly presented theories are accompanied by practical research based ideas that students can use as they complete their field based experiences and go out into their own classrooms in addition to its in depth coverage of phonics comprehension assessment and vocabulary instructional strategies a balanced approach to literacy instruction has wide coverage of technology and writing ways to meet the needs of diverse student populations are discussed throughout the book students also are provided with thorough lesson plans in reading writing and technology for them to consider using or adapting for their field based experiences

the strategies and materials presented here provide the best of whole language and phonics instruction for setting up an appropriate well paced reading program that meets the needs of individual students small groups or the entire class grades k 8 for quick and easy access the kit is organized into eight sections and includes such practical information as over 80 stimulating hands on games and activity sheets to build students skills in letter name knowledge sight word recognition word structure and more up to date information and materials for teaching reading to students with special needs comprehensive lists of fiction and nonfiction trade books that reinforce the learning of essential reading skills

offers comprehensive information about literacy and related instructional and assessment topics
