this book gets at the heart of the christian life by considering some of the great truths of god's existence christopher holmes an expert in contemporary theology engages with the church fathers along with augustine and aquinas to offer a rich accessible account of the triune god and the divine perfections holmes shows how we share in the life of god through imitation and participation and how the doctrines of the triune god and the divine attributes shape our understanding of the christian life throughout holmes demonstrates the importance of theology for christian faith and practice

all god's people a theology of the church sets out a corrective understanding of the nature of the church universal with a focus on implications for the church local the book is divided into three basic sections a historical theology of the church surveys the history of theology of the church beginning with the early church the formative years for all christian theology a biblical theology of the church examines the old testament gospels and apostolic sense of the people of god a systematic theology of the church seeks to both systematize the biblical theology and synthesize it with contemporary thought finally a practical theology of the church concludes the work relating the book's lessons to the contemporary church climate

bruner has been both thorough and fair and has written a book that combines scholarly research with constructive commentary on the life and mission of the contemporary church

man has always wrestled with the problem of finding meaning in history it is not surprising that as a christian von balthasar finds the meaning of history in christ its center and lord what may surprise as it will surely stimulate is the theological mastery with which von balthasar traces the effects of christ's lordship upon the daily life of the christian in this book we have one of the indispensable sources for understanding balthasar's catholic christocentrism here we find elaboration of the striking statement that jesus christ is the idea made concrete personal historical universale concretum et personale which put otherwise means that christ is the universally valid in the here and now characteristic of balthasar the book inspires as much spiritually as it informs theologically

ladd's magisterial work on new testament theology has well served scores of seminary students since 1974 now this comprehensive standard evangelical text has been carefully revised by hagner to include an update of ladd's survey of the history of the field of new testament theology an augmented bibliography and an entirely new subject index

the wholesale rejection of metaphysics today has become the test of the postmodern in this groundbreaking volume oliver davies argues for a renewal of metaphysics as the language of createdness based not in a return to outmoded concepts of essence but in a dynamic new understanding of ontology as narrative and performance this repairing of the western

metaphysical tradition is grounded both in the divine self naming in exodus which for the rabbis identified god's presence in the world with god's compassionate acts and in the compassionate resistance of etty hillesum and edith stein to the violence of the holocaust building on a new metaphysics of compassion that is attentive to the histories of the contemporary world davies offers a renewed systematic theology of divine speech and relation focused in jesus christ who as the triadic word of god speaks creatively at the heart of human culture and action and who as the redeeming compassion of god regenerates the world

through dialogue with moltmann pope john paul ii and others this book develops a genitive theology of work presenting a theological definition of work and a model for a theological ethics of work that shows work nature value and meaning now and eschatologically work is shown to be a transformative activity consisting of three dynamically interrelated dimensions the instrumental relational and ontological

books on the christian life abound some focus on spirituality others on practices and others still on doctrines such as justification or forgiveness few offer an account of the christian life that portrays redeemed christian existence within the multifaceted and beautiful whole of the christian confession this book attempts to fill that gap it provides a constructive specifically theological interpretation of the christian life according to the nature of god's grace this means coordinating the triune god his reconciling justifying redemptive restorative and otherwise transformative action with those practices of the christian life emerging from it the doctrine of the christian life developed here unifies doctrine and life confession and practice within the divine economy of grace drawing together some of the most important theologians in the church today sanctified by grace achieves what no other theological text offers a shared work of dogmatic theology oriented to redeemed christian existence

twenty five doctoral students from around the world recently set out to forge a new path toward a theology of mission as they blazed a new trail they discovered the footprints of god evidence that god was their trial guide charles van engen led this group of mission practitioners pastors teachers and mission executives as they set out to discover answers to important questions such as what is theology of mission and what is missiology the team used a new approach to answer these questions employing narrative to integrate personal story community stories cultural stories and biblical stories each writer brings his or her own unique context to bear on these important questions through personal story and by highlighting the work of a major missiologist who has impacted their life and work by drawing from personal stories the authors show how human factors affect missiology all of the chapters are set within a unique theological framework created by charles van engen that focuses on mission of the way mission in the way and mission on the way this framework reveals that mission must be of the way christ centered in the way happening among the

peoples and cultures of the world and on the way moving forward over time through god's people as they anticipate christ's present and coming kingdom if you are concerned about connecting the bible theology and ministry with the complexity and variety of contexts facing christians today then you will want to join this journey to discover the footprints of god as van engen says you will be encouraged to think theologically about mission and missiologically about theology

a theologically grounded treatment of what it means to be close to god numerous christian books aim to provide guidance on relationships with god but few base their conclusions on a biblical theology of intimacy in this volume tim anderson develops a biblical and holistic portrait of nearness to god exploring key themes like god's trinitarian union the fall god's fatherhood marriage imagery suffering and our relationship with the holy spirit a concluding chapter examines contemporary christian songs that address oneness with god and evaluates their theological messages in light of the previous chapters into his presence is a helpful guide for pursuing intimacy with god and distinguishing contemporary cultural understandings of close relationships from those communicated in scripture

who are the people of god luke's purposes in the acts of the apostles are to identify the church to establish the legitimacy of its gospel and to demonstrate that god was an active force in history he wanted to show that the communities of jewish and gentile christians are the true heirs of god's promises to israel he gives the history of the early church from the last decades of the first century as the communities become separated from their jewish origins and paul plays the lead role acts offers an apologetic for the mixed mission of the church to jews and gentiles luke was an eyewitness to some of what he reports but his authorship and views have been questioned this is a theological interpretation of the history of the church within history luke is an artist a narrator rather than a systematic theologian but writes about the roles of god christ and the holy spirit and of the church

a landmark textbook for christian counselors that unpacks the core theological convictions behind sound counseling and outlines practical wisdom for counseling today since the beginning of the biblical counseling movement in 1970 biblical counselors have argued that counseling is a ministry of the word just like preaching or missions as a ministry counseling must be defined according to sound biblical theology rather than secular principles of psychology for over four decades biblical theology has been at the core of the biblical counseling movement leaders in biblical counseling have emphasized a commitment to teaching doctrine in their counseling courses out of the conviction that good theology leads to good counseling and bad theology leads to bad counseling a theology of biblical counseling is an ideal resource for use in training biblical counselors at colleges seminaries and training institutes in each chapter doctrine comes to life in real ministry to real people dramatically demonstrating how theology intersects with the lives of actual counselees
