we have worked hard to update business communication from its 12th edition to its 13th we have added new content that instructors have asked for such as examples of business plans and sales proposals and elaborated discussion of social media use for business we ve updated content particularly in relation to communication during the covid 19 pandemic we have painstakingly cut repetitious content streamlining each section within each chapter so that it makes its point clearly and efficiently we have also reorganized regrouping like with like so that students can more readily find the content they need we ve also used singular they them and their as generic third person pronouns when the pronoun referent is indefinite for example everyone and when a person s gender is unknown in accordance with apa style and we ve simplified the page layout eliminating unnecessary design elements such as horizontal lines before and after bulleted lists in short we have overhauled the textbook to create a modernized and elegant 13th edition

the thirteenth edition arrives shortly before the fiftieth anniversary of stephen w littlejohn s visionary effort in writing the first comprehensive overview of theories of communication the newest edition provides thought provoking information about communication theories to new generations of readers eager to explore a vital topic extending its contribution to the field theories of human communication now offers a guide for beginning theorists the concluding chapter demystifies the theorizing process and offers step by step guidelines to join the community of theorists who improve human experience by conceptualizing ordering explaining and managing the phenomena processes and interactions encountered in the world the authors present a comprehensive summary of major communication theories current research extensions and applications their engaging writing style and thoughtfully organized discussions make complex material accessible compelling and realistic examples link theory with everyday experiences part i sets the stage for how to think about and study communication part ii covers theories centered around the communicator message medium and social media part iii addresses theories by context relationships organizations health culture society and beyond human from the source contributions

from theorists provide insight into the inspirations motivations and goals behind the theories readers explore the patterns trends trajectories and intricacies of the landscape of communication theory the coverage includes many theories important for their continuing influence in the field while discussions of emerging theories encourage thinking about issues in new ways this definitive classic and current text is an invaluable resource for future reference and illustrates the richness of communication theorizing

this is the ebook of the printed book and may not include any media website access codes or print supplements that may come packaged with the bound book updated in its 13th edition joseph devito s the interpersonal communication book provides a highly interactive presentation of the theory research and skills of interpersonal communication with integrated discussions of diversity ethics workplace issues face to face and computer mediated communication and a new focus on the concept of choice in communication this thirteenth edition presents a comprehensive view of the theory and research in interpersonal communication and at the same time guides readers to improve a wide range of interpersonal skills the text emphasizes how to choose among those skills and make effective communication choices in a variety of personal social and workplace relationships

this books □ la carte edition is an unbound three hole punched loose leaf version of the textbook and provides students the opportunity to personalize their book by incorporating their own notes and taking only the portion of the book they need to class all at a fraction of the bound book price updated in its 13th edition joseph devito s the interpersonal communication book provides a highly interactive presentation of the theory research and skills of interpersonal communication with integrated discussions of diversity ethics workplace issues face to face and computer mediated communication and a new focus on the concept of choice in communication this thirteenth edition presents a comprehensive view of the theory and research in interpersonal communication and at the same time guides readers to improve a wide range of interpersonal skills the text emphasizes how to choose among those skills and make effective communication choices in a variety of personal social and workplace relationships
