drawing on scientific studies of pigments and materials artists treatises colourmen s archives and contemporary and modern accounts anthea callen demonstrates how raw materials and paintings are profoundly interdependent she analyses the material constituents of oil painting and

the complex processes of making entailed in all aspects of artistic production discussing in particular oil painting methods for landscapists and the impact of plein air light on figure painting studio practice and display insisting that the meanings of paintings are constituted by and within the cultural matrices that produced them callen argues that the real modernity of the impressionist enterprise lies in the painters material practices book jacket

including over 200 specially commissioned photographs this guide to impressionist art reveals the techniques used by some of the greatest artists in order to create their works

this important book is the first full scale exploration of impressionist technique focusing on the easel painted work of monet pissarro renoir cezanne cassatt morisot caillebotte sisley and degas in the period before 1900 it places their methods and materials in a historical perspective and evaluates their origins novelty and meanings within the visual formation of urban modernity drawing on scientific studies of pigments and materials artists treatises colormens sic archives and contemporary and modern accounts anthea callen demonstrates how raw materials and paintings are profoundly interdependent she analyses the material constituents of oil painting and the complex processes of making entailed in all aspects of artistic production discussing in particular oil painting methods for landscapists and the impact of plein air light on figure painting studio practice and display publisher s description

in the work of art anthea callen analyzes the self portraits portraits of fellow artists photographs prints and studio images of prominent nineteenth century french impressionist painters exploring the emergence of modern artistic identity and its relation to the idea of creative work landscape painting in general she argues and the plein air oil sketch in particular were the key drivers of change in artistic practice in the nineteenth century leading to the impressionist revolution putting the work of artists from courbet and c oza microscope callen examines modes of self representation and painting methods paying particular attention to the painters touch and mark making using innovative methods of analysis she provides new and intriguing ways of understanding material practice within its historical moment and the cultural meanings it generates richly illustrated with 180 color and black and white images the work of art offers fresh

insights into the development of avant garde french painting and the concept of the modern artist

this reference organizes and describes the primary and secondary literature surrounding mary stevenson cassatt berthe morisot eva gonzales and marie bracquemond four major women impressionist artists the impressionist group included several women artists of considerable ability whose works and lives were largely ignored until the advent of feminist art criticism in the early 1970s they studied worked and exhibited with their male counterparts including degas monet and pissarro the entries provide extensive coverage of the careers critical reception exhibition history and growing reputations of these four female artists and discuss women impressionists in general as they shared the challenges of becoming accepted as professional artists in late 19th century society containing nearly 900 citations of manuscripts books articles reproductions films exhibitions and reviews this unique sourcebook will appeal to both art and women s studies scholars each artist receives a biographical sketch chronology information about individual and group exhibitions and reviews and a primary and secondary bibliography which captures details about the artist s life career and relationship with other artists an art works index and names index complete the volume

this book is a comprehensive introduction to the works of four women impressionists berthe morisot a key protagonist of the impressionist movement mary cassatt who had her own special role to play in the movement and was held in high esteem by fellow painter edgar degas eva gonzales a gifted artist and edouard monet s only student and marie bracquemond who abandoned painting in the interests of marital harmony this superbly illustrated book also contains essays by a number of writers who besides providing a knowledgeable introduction to these four women painters also succeed in conveying to us the context in which they worked book jacket

discusses the eight exhibitions held by the french impressionist artists and examines the history of the artistic movement

paul signac and color in neo impressionism is a groundbreaking examination of the artistic technique of divisionism in terms of modern scientific theory of color truly interdisciplinary in his approach floyd ratliff treats the evolution of both color theory and artistic practice in an

integrated way signac was the principal advocate for the new movement launched by georges seurat in the 1880s the book is handsomely illustrated with both neo impressionist paintings and scientific drawings and diagrams ratliff s five part essay provides an extended introduction to a translation of signac s monograph from eugene delacroix to neo impressionism widely regarded as the basic document of the movement but never before available in english this will be an invaluable reference for scholars in art and design as well as students of the psychology and neurophysiology of color vision and those interested in the relation between the arts and the sciences its clarity of style also makes it accessible to the general reader interested in art history painting or the perception of color particularly with its glossary of technical and art terms index and bibliography

published for an exhibition organized by the carnegie museum of art pittsburgh and other museums

for each artist there is a biography chronology and bibliography

pissarro s journey to south london pissarro and london pissarro and other french artists pissarro paints london the painting near sydenham hill
