the late eighteenth and the nineteenth centuries witness significant advancement in the production and crucially the consumption of culture in italy during the long process towards and beyond italy becoming a nation state in 1861 new modes of writing and performing the novel the self help manual theatrical improvisation develop in response to new practices and

technologies of production and distribution key to the emergence of an inclusive national audience in Italy is however the audience itself a wide and varied body of consumers of culture animated by the notion of an Italian national cultural identity. In this period an increasingly complex demand for different cultural products is energized by the wider access to education and to the Italian language brought about by educational reforms by growing urbanization by enhanced social mobility and by transcultural connections across European borders. This book investigates this process analyzing the ways in which authors, composers, publishers, performers, journalists and editors engage with the anxieties and aspirations of their diverse audiences. Fourteen essays by specialists in the field exploring individual contexts and cases demonstrate how interests related to gender, social class, cultural background and practices of reading and spectatorship exert determining influence upon the production of culture in this period. They describe how women, men and children from across the social and regional strata of the emerging nation contribute incrementally but actively to the idea and the growing reality of an Italian national cultural life. They show that from newspapers to salon performances from letters to treatises in social science from popular novels to literary criticism from philosophical discussions to opera theaters there is evidence in Italy in this period of unprecedented participation crossing academic and popular cultures in the formation of a national audience in Italy. This cultural transformation later produces the mass culture in Italy which underpins the major movements of the twentieth century and which undergoes new challenges and reformulations in the Italy we know today.

diretto seguito del romanzo i corsari delle bermude la vicenda sembra così aver subito solo una breve pausa infatti mentre la lotta infuriava tra la tuonante e la fregata del marchese d'Halifax la bella nave del capitano William Mac Lellan aveva ricevuto un grave danno le era stato spezzato l'albero di trinchetto e quindi la sua corsa era stata interrotta e l'odiato marchese aveva potuto prendere il largo la nave deve perciò tornare a Boston per le riparazioni ma è di nuovo ben presto pronta a riprendere il mare e a dare battaglia. È pronta per la sua crociera ed è tanto più temuta per la presenza a bordo di un artigliere abilissimo. Mastro Testa di Pietra sempre in compagnia del simpatico piccolo flocco postosi nuovamente sulle tracce del marchese riprende con lui la battaglia furiosa e terribile sia la corvetta tuonante che la fregata nemica si incagliano in banchi di sabbia e gli equipaggi si affidano a zattere di fortuna. Navi inglesi raccolgono il marchese d'Halifax e Mary che raggiungono così New York dove il fratellastro di Mac Lellan è deciso ad organizzare il suo matrimonio con la fanciulla. L'astuto Testa di Pietra vigila e così il duello decisivo tra Mac Lellan e il marchese si svolge nientemeno che nella cappella sotterranea di una chiesa interrompendo la cerimonia il libro si chiude con un'affrettata conclusione in cui si accenna alle nozze tra il baronetto e la bella
