the ajn book of the year award winning textbook nursing in today s world is now in its thoroughly revised updated ninth edition this vibrant full color text presents basic concepts underlying professional nursing along with contemporary issues affecting the profession including educational preparation health care finance legal responsibilities and ethics bioethics critical thinking exercises are embedded throughout the chapters key terms and concepts are highlighted in bold this edition has more critical thinking exercises plus a new communication feature that teaches students how to communicate effectively in difficult situations a new chapter nursing for the future includes discussions on informatics in nursing and evidence based practice

fully updated to cover today s issues and trends nursing in today s world 11e prepares students for the realities of practice reimagined to appeal to this generation of nursing students this engaging

edition contains features that break up the text and help students pragmatically acquire, retain, recall, and apply knowledge to real-life scenarios appealing to visual learners. Our cartoon curriculum adds humor and satire to the book. These visuals and related discussion questions, activities, decrease learning time, improve comprehension, enhance retrieval, and increase retention, appealing to students who learn best through modeling and storytelling. Communication in action helps students develop their soft skills. Examples, daily ethical dilemmas, feature boxes, and Stegeng Sowerby stories offer the concrete examples on the day-to-day life of a RN that students need to realize why what they are learning in their issues and trends course is important to their careers and ability to navigate complex healthcare realities. While the text engages today's learner, it stays academically rigorous through nursing theory, alert boxes, evidence-based practice boxes, as well as our comprehensive coverage of safety issues. The point contains student and instructor resources that will help students gain a better understanding of what it is to be a nurse in today's world. Students will benefit from additional and more challenging NCLEX questions and a new NCLEX preparation tutorial. Instructors can easily incorporate the 11th edition of *Nursing in Today's World* into their courses because this package includes a syllabus, open book test, instructor test bank, QSEN and AACN BSN Essentials competencies maps, and more.

Loved for its humor, readability, and inviting cartoons, *Nursing Today: Transitions and Trends* 9th edition helps you prepare for the NCLEX-RN examination while giving you valuable information to succeed in your professional career. It reflects current issues and trending topics that nurses will face, ensuring that you graduate not only with patient care skills but also with career development skills such as resume writing, finding a job, and effective interviewing. This edition features test-taking tips for the NCLEX-RN examination and updated Evolve resources for students, including review questions and case studies. Thorough coverage of all the most important issues faced by the new nurse preparing you for a professional career, an engaging approach features lively cartoons, chapter objectives, bibliographies, and colorful summary boxes. An emphasis on making the transition into the workplace is included in chapters such as NCLEX-RN and the new graduate employment considerations, opportunities, resumes, and interviewing, and mentorship and preceptorship. Critical thinking boxes in every chapter offer questions and exercises asking you to apply what you have learned to clinical practice. Evidence-based practice boxes and evidence-based practice content throughout focus your attention on the research evidence that supports clinical practice. Content on the role of nursing includes changes related to the BSN in 10 campaign and how these might affect entry into practice, as well as differentiated nursing practice models. Mentoring and preceptorship content discusses preceptorships as a capstone course versus a formalized preceptorship or nurse externship in which a student is employed by a healthcare facility, as well as the advantages of and tips for getting a nurse externship while in nursing school. New and updated, thoroughly updated content throughout with new information on areas such as 2016 NCLEX test plan and pass/fail determinates by level of difficulty, interprofessional education, serious reportable events, and never

events and nursing responsibilities in spiritual care updated new content on leadership and followership features professional models of nursing practice like medical or health homes and nurse managed health centers expanded added qsen competencies related to effective communication team building evidence based practice patient safety and quality assurance highlighted throughout updated and improved section restructuring makes this edition even easier to follow updated evolve resources for students include review questions and case studies
