seminar paper from the year 2005 in the subject politics international politics region usa grade 1 7 university of duisburg essen politische theorie course politische rhetorik 10 entries in the bibliography language english abstract the american dream has always been a central subject in political speeches

jimmy carter and ronald reagan were not the only presidents who referred to it in their speeches quite possibly every presidential candidate and president related to it when they accepted their nominations and when they outlined their political programmes at their inaugurations ever since it has become part of the tradition of political rhetoric in the united states one can say how centrally important the american dream still is and what great influence it has on the american people so what exactly is the american dream peter freese calls the attempt of defining it subjective and incomplete especially because he is of the opinion that the vision and beliefs transferred in the american dream change with the times however he quotes hartmut keil by using his definition of the american dream with a lot of its beliefs and convictions that are substantial parts of it individual success advancement materialism personal success neighborliness naturalness individuality freedom equality equal opportunity search for identity national purpose american consciousness democratic dream dream of paradise moving force liberation of humanity world s salvation but he comes to the conclusion that there is not the possibility of a precise definition in case one does not want to list nearly every aspect of american society still the fundamental values and virtues that build the basis and are the core function of the american dream are the main part of american political rhetoric the metaphor of the american dream has always been used by being glorified by politicians in their speeches and mostly with the promise of fulfilment s

the father of the modern dreamwork movement describes his research on the use of dreams in self help creativity relationships spirituality and culture including incubation remembering interpretation and application of dream insights

this sweeping history of new york s millions of immigrants both famous and forgotten is told brilliantly and unforgettably the boston globe written by an acclaimed historian and including maps and photos this is the story of the peoples who have come to new york for four centuries an american story of millions of immigrants hundreds of languages and one great city growing from peter minuit s tiny settlement of 1626 to a clamorous metropolis with more than three million immigrants today the city has always been a magnet for transplants from around the globe city of dreams is the long overdue inspiring and defining account of the young man from the caribbean who relocated to new york and became a founding father russian born emma goldman who condoned the murder of american industrialists as a means of aiding downtrodden workers dominican immigrant oscar de la renta who dressed first ladies from jackie kennedy to michelle obama and so many more over ten years in the making tyler anbinde s story is one of innovators and artists revolutionaries and rioters staggering deprivation and soaring triumphs in so many ways today s immigrants are just like those who came to america in centuries past and their stories have never before been told with such breadth of scope lavish research and resounding spirit anbinde is a master at taking a history with which many readers will be familiar tenement houses temperance societies slums and making it new strange and heartbreakingly vivid the stories of individuals including those of the entrepreneurial steinway brothers and the tragic poet pasquale d angelo are undeniably compelling but it s anbinde s stunning image of new york as a true city of immigrants that captures the imagination publishers weekly starred review

in this absorbing new book david farber gives us the history of our collective and individual memories of the 1960s the brilliant colors of revolt and rapture of flames and raised fists of napalm and tear gas of people desperate to make history even as others fought fiercely to stop them more than thirty years after

the assassination of john f kennedy this book grounds our understanding of the terrible events of that era by linking them to our country s grand projects of previous decades the forging of a national system of social provision in the new deal our new agenda as global superpower after world war ii the creation of the national security state and the maturation of a national consumer driven mass mediated marketplace farber s account based on years of research in archives and oral histories as well as in the historical literature deals in full not only with nation building in vietnam the 1964 civil rights act the 1965 watts riot and the war on poverty but with the entertainment business the drug culture and much more

african american writer richard wright 1908 1960 was celebrated during the early 1940s for his searing autobiography black boy and fiction native son by 1947 he felt so unwelcome in his homeland that he exiled himself and his family in paris but his writings changed american culture forever and today they are mainstays of literature and composition classes he and his works are also the subjects of numerous critical essays and commentaries by contemporary writers this volume presents a comprehensive annotated bibliography of those essays books and articles from 1983 through 2003 arranged alphabetically by author within years are some 8 320 entries ranging from unpublished dissertations to book length studies of african american literature and literary criticism also included as an appendix are addenda to the author s earlier bibliography covering the years from 1934 through 1982 this is the exhaustive reference for serious students of richard wright and his critics

this fascinating study explores the hollywood novel as a culmination of the american dream and a symbol of its betrayal born of promise and hope yet focused on immediate gratification and profit hollywood mirrors the contradictions inherent in the myth of the american dream the history of the development of the hollywood novel reflects the deterioration of the american dream during the 20th century as it has passed from utopian promise through decadence to nightmare and apocalypse along these lines the genre provides a metaphor for the growing sense of futility loss of hope and increasing sense of chaos that characterizes a spiritually deprived america

by deconstructing the gendered terms of cultural representations of the american self this project traces the many faceted discursive possibilities of female desire in relation to community

an entertaining cultural history of the american family vacation during the height of its popularity from 1945 to 1973 reveals the ways in which the ritual of the family road trip for most middle class americans became a way of defining what it meant to be and become american

totalitarian states attempt to filter political information in such a way that in the main the population receives exposure only to those sources materials and presentations that serve and reinforce the goals and ideals of the state in eastern and southeastern europe before 1989 the teaching of the english language proved a delicate yet critical field since it provided a mediated introduction to the capitalist english speaking world this study examines the fashion in which efl english as a foreign language textbooks represented the united states in order to ascertain the east bloc s image of the us the selection and arrangement of topics is investigated to discuss what kind of knowledge and judgments the textbooks attempted to impart then new efl textbooks appearing after 1989 are examined
