this is the 3rd comparative edition of the 8th edition translation of the aramaic new testament aramaic was the language of jesus and his countrymen of 1st century israel in an english prose translation of the peshitta new testament displayed in two columns one has the king james

version on the left and the other has the translation of the aramaic peshitta on the right this translation is derived from the author s aramaic english interlinear new testament aramaic was used in mel gibson s film the passion of the christ to make the film as realistic and accurate as possible this new testament will surprise and thrill the reader with its power and inspiration coming from the words of yeshua jesus in ancient aramaic as he originally spoke them in a literal and readable english rendering 659 pages in 6x9 paperback the parallel psalms and proverbs of both versions are included after the nt

olaf the european anti fraud office was established by the commission in 1999 following the collapse of its predecessor uclaf and its role is to protect the financial interests of the eu and to fight fraud and corruption within the eu s institutions or within individual eu member states its efficiency and effectiveness are currently under review and the commission has brought forward a proposal designed to improve olaf s operational efficiency improve information flows and protect the rights of individuals under investigation the committee s report judges that this proposal is premature and unlikely to enhance olaf s accountability or independence it also notes that the future of olaf has become entwined with the debate over the post of european public prosecutor and that the commission should not allow this to distract its focus from examining how olaf can be made more effective in the fight against fraud
