a primer on the history of american fascism most people in the united states have been trained to recognize fascism in movements such as germany s third reich or  
italy s national fascist party where charismatic demagogues manipulate incensed vengeful masses we rarely think of fascism as linked to the essence of monopoly  
finance capitalism operating under the guise of american free enterprise but as michael joseph roberto argues this is exactly where fascism s embryonic forms began  
gestating in the united states during the so called prosperous 1920s and the great depression of the following decade drawing from a range of authors who wrote

during the 1930s and early 1940s roberto examines how the driving force of american fascism comes not from reactionary movements below but from the top namely big business and the power of finance capital more subtle than its earlier european counterparts writes roberto fascist america s racist top down quashing of individual liberties masqueraded as real democracy upholding the constitution and the pressure to be 100 percent american the coming of the american behemoth is intended as a primer to forge much needed discourse on the nature of fascism and its particular forms within the united states the book focuses on the role of the capital labor relationship during the period between the two world wars when the united states became the epicenter of the world capitalist system concentrating on specific processes which he characterizes as terrorist and non terrorist alike roberto argues that the interwar period was a fertile time for the incubation of a protean more salable form of tyranny a fascist behemoth in the making whose emergence has been ignored or dismissed by mainstream historians this book is a necessity for anyone who fears america tipping ever closer in this era of trump to full blown fascism

the great depression of the 1930s was more than an economic catastrophe to many american writers and artists attracted to marxist ideals they interpreted the crisis as a symptom of a deeper spiritual malaise that reflected the dehumanizing effects of capitalism and they advocated more sweeping social changes than those enacted under the new deal in radical visions and american dreams richard pells discusses the work of lewis mumford john dewey reinhold niebuhr edmund wilson and orson welles among others he analyzes developments in liberal reform radical social criticism literature the theater and mass culture and especially the impact of hollywood on depression era america by placing cultural developments against the background of the new deal the influence of the american communist party and the coming of world war ii pells explains how these artists and intellectuals wanted to transform american society yet why they wound up defending the american dream a new preface enhances this classic work of american cultural history

the first account of the remarkable eighteen month journey of lorena hickok intimate friend of eleanor roosevelt throughout the country during the worst of the great depression bearing witness to the unprecedented ravaged during the harshest year of the great depression lorena hickok a top woman news reporter of the day and intimate friend of eleanor roosevelt was hired by fdr s right hand man harry hopkins to embark upon a grueling journey to the hardest hit areas across the country to report back about the degree of devastation distinguished historian michael golay draws on a trove of original sources including moving and remarkably intimate almost daily letters between hickok and eleanor roosevelt as he re creates that extraordinary journey hickok traveled almost nonstop for eighteen months from

january 1933 to august 1934 driving through hellish dust storms rebellion by coal workers in pennsylvania and west virginia and a near revolution by midwest farmers a brilliant observer hickok s searing and deeply empathetic reports to hopkins and her letters to mrs roosevelt are an unparalleled record of the worst economic disaster in the history of the country historically important they crucially influenced the scope and strategy of the roosevelt administration s unprecedented relief efforts america 1933 reveals hickok s pivotal contribution to the policies of the new deal and sheds light on her intense but ill fated relationship with eleanor roosevelt and the forces that inevitably came between them

if you are looking to brush up on your literary knowledge check a favorite author s work or see a year s bestsellers at a glance the chronology of american literature is the perfect resource at once an authoritative reference and an ideal browser s guide this book outlines the indispensable information in america s rich literary past from major publications to lesser known gems while also identifying larger trends along the literary timeline who wrote the first published book in america when did edgar allan poe achieve notoriety as a mystery writer what was hemingway s breakout title with more than 8 000 works by 5 000 authors the chronology makes it easy to find answers to these questions and more authors and their works are grouped within each year by category fiction and nonfiction poems drama literary criticism and publishing events short concise entries describe an author s major works for a particular year while placing them within the larger context of that writer s career the result is a fascinating glimpse into the evolution of some of america s most prominent writers perhaps most important the chronology offers an invaluable line through our literary past tying literature to the american experience war and peace boom and bust and reaction to social change you ll find everything here from benjamin franklin s experiments and observations on electricity to davy crockett s first memoir from thoreau s civil disobedience to edith wharton s ethan frome from meditations by james weldon johnson and james agee to poetry by elizabeth bishop also included here are seminal works by authors such as rachel carson toni morrison john updike and arthur schlesinger jr lavishly illustrated and rounded out with handy bestseller lists throughout the twentieth century lists of literary awards and prizes and authors birth and death dates the chronology of american literature belongs on the shelf of every bibliophile and literary enthusiast it is the essential link to our literary past and present

a comprehensive inquiry into the attitudes and ambitions that characterized the documentary impulse of the thirties the subject is a large one for it embraces among much else radical journalism academic sociology the esthetics of photography government relief programs radio broadcasting the literature of social work the rhetoric

of political persuasion and the effect of all these on the traditional arts of literature painting theater and dance the great merit of mr stott s study lies precisely in its wide ranging view of this complex terrain hilton kramer new york times book review scott might be called the aristotle of documentary no one before him has so comprehensively surveyed the achievement of the 1930s suggesting what should be admired what condemned and why no one else has so persuasively furnished an aesthetic for judging the form times literary supplement
