having been a part of the fifteenth air force in 1944 author bill hess has written the definitive account on his air force featuring photographs and illustrations throughout although the fifteenth air force was dismissed as minor leaguers by the eighth air force strategic bombers from this outfit had done a major league job on axis targets in southern europe following its formation in italy in november 1943 and the heavy bombers employed by the fifteenth were of course the venerable b 17 and b 24 at its peak strength

the fifteenth s b 17 force comprised six groups of four squadrons each all controlled by the 5th bomb wing there is no such thunder in history nor ever will be again as the deep throated roar of the mighty four engined b 17s that streamed across the skies in world war ii the long runways are silent now the men and planes are gone but out of the massive files of records available and the memories of the men who flew martin caidin has assembled this dramatic portrait of america s most formidable heavy bomber of the war the b 17 the flying forts recreates a vanished era and a great and gallant plane a plane that could absorb three thousand enemy bullets fly with no rudder and complete its mission on two engines a plane that american pilots flew at pearl harbor tunis midway palermo schweinfurt regensburg normandy and berlin in thousands of missions and through hundreds of thousands of miles of flak filled skies a plane that proved itself in every combat theater as the greatest heavy bomber of world war ii

renowned throughout the world for its strength and destructiveness the flying fortress was one of the greatest fighting airplanes of all time in this comprehensively documented biography edward jablonski tells the story of the flying fortress boeing b 17 america s legendary long range bomber from the b 17 s near death in infancy to the emergence of its successor the superfortress flying fortress captures the exhilarating career of the b 17 with thrilling accounts of the exploits of these planes and their pilots in this unforgettable history jablonski details the fortress s role in the strategic and tactical issues of air war and chronicles the b 17 s roles in famous raids including regensburg marienburg munster schweinfurt dresden and berlin along with its part in great battles such as d day masterfully written flying fortress is a classic in aviation literature with over 400 illustrations many unpublished action photos in addition to a section on the design of the flying fortress which includes a number of detailed cutaway drawings approximately 60 pages from the flying fortress s piloting manual are also featured herein find out why the flying fortress ultimately redefined the concept of war

the b 17 pioneered the concepts of strategic bombardment this work gives technical detail along with little known facts and stories as well as accounts of missions production avionics development and the people behind the development of the b 17

ever wondered how many aircraft were converted into japanese zeroes and torpedo bombers for tora tora tora or how french gazelle helicopters were modified for the title role in blue thunder this first of its kind reference book lists aircraft featured in 350 films and television shows providing brief individual histories film locations serial numbers and registrations aircraft are also cross referenced by manufacturer

appendices provide brief bios on pilots and technicians information on aircraft collections owned by tallmantz aviation and blue max aviation and film credits for u s aircraft carriers

beskrivelse af det amerikanske bombefly flyvende flåstning i versionerne b 17f og g

in the late 1930s a number of american women especially those allied with various peace and isolationist groups protested against the nation s entry into world war ii while their story is fairly well known margaret paton walsh reveals a far less familiar story of women who fervently felt that american intervention was absolutely necessary paton walsh recounts how the united states became involved in the war but does so through the eyes of american women who faced it as a necessary evil covering the period between 1935 and 1941 she examines how these women functioned as political actors even though they were excluded from positions of power through activism in women s organizations informal women s networks and even male dominated lobbying groups in the great debate over whether america should enter the war some women favored aid to the allies not because they hoped for war but because they hoped aid would forestall more direct u s involvement but also because they believed war was preferable to a nazi victory paton walsh shows that this activism involved some of the most prominent women of their day elizabeth cutter morrow whose son in law charles lindbergh was an isolationist spokesman supported the revision of the neutrality acts to allow the sale of arms to the allies and expressed her support in a national radio broadcast soon other women joined this debate esther brunauer of the aaup journalist dorothy thompson and organizations like the league of women voters and national women s trade union league broke from the pacifist tradition to advocate american aid for the allied cause focusing on the conflict in europe paton walsh shows how these women grasped the implications of the lend lease program for america s entry into the war but supported it nevertheless by late 1941 the women s division of the fight for freedom committee had been established no longer merely advocating aid to britain to keep american boys out of battle this organization supported direct american involvement in the war as a means of stopping nazi oppression while most historians have focused on women s pacifism paton walsh connects women more directly to world events and shows how those interventionists reformulated maternalist ideas to justify and explain their beliefs our war too is a story of american women trying to reconcile the irreconcilable to preserve both their principles and their peace it expands our understanding of women as political actors and thinkers about foreign policy as it sheds new light on american public opinion over the build up to the war
