in the early 1930s a wave of marian apparitions cases in which visionaries reported seeing and receiving messages from the virgin mary swept over belgium with over forty apparition sites and hundreds of visionaries the belgian apparitions often attended by crowds of onlookers were unrivalled in scope and complexity and they confronted catholics and others with a question how do you decide what you believe apparition fever explores the belgian apparitions from initial reports to the eventual recognition of two episodes in the 1940s it shows how knowledge was formed at all levels among the bystanders attending the sites to the medical experts who studied the visionaries and the clerical authorities who evaluated the authenticity of the apparitions tine van osselaer examines how these different perspectives converged and influenced each other whose authority was accepted or challenged and how the public character of the events affected their evaluation apparition fever reveals that the public setting of marian apparitions and the religious enthusiasm they triggered are not novel challenges for the catholic church on the contrary they have heavily influenced the evaluation of apparitions since the early twentieth century

two thousand years ago jesus told the parable of the suffering beggar lazarus and the rich man each had died with lazarus joining god in heaven for all eternity while the rich man was condemned to the flames of hell send someone to warn my brothers the rich man pleaded so they won t end up in this place of torment but god said they have the prophets to warn them your brothers can listen to them to which the rich man responded then let lazarus return from the dead that they may believe but god said they will not believe even if a man should rise from the dead over the last five hundred years we have witnessed a great many apparitions of the virgin mary in places such as guadalupe mexico lourdes france fatima portugal each apparition has carried a distinct albeit similar message pray the rosary every day sacrifice for the conversion of sinners and stop offending god to do these things will mean the defeat of satan and his godless ways an end to communism and its worldly tendencies and peace and harmony on earth regardless of the associated miracles witnessed by thousands millions of people continue to deny the reality of the apparitions and decry the message as a joke this book recounts the historical life of bernadette soubirous of lourdes france a rather ordinary nineteenth century life turned upside down at the tender age of fourteen by the miraculous events that occurred in a rock grotto near the dumping grounds of massabielle the many apparitions of a woman who identified herself as the immaculate conception the miraculous cures that were attributed to a spring of common water the virgin s message to mankind and the extraordinary relevance today for all that care to listen but as jesus said even if someone should rise from the dead there would still be unbelievers isn t it a pity

the oxford handbook of mary offers an interdisciplinary guide to marian studies including chapters on textual literary and media analysis theology church history art history studies on devotion in a variety of forms cultural history folk tradition gender analysis apparitions and apocalypticism featuring contributions from a distinguished group of international scholars the handbook looks at both eastern and western perspectives and attempts to correct imbalance in previous books on mary towards the west the volume also considers mary in islam and pilgrimages shared by christian muslim and jewish adherents while mary can be a source of theological disagreement this authoritative collection shows mary s rich potential for inter faith and inter denominational dialogue and shared experience it covers a diverse number of topics that show how mary and mariology are articulated within ecclesiastical contexts but also on their margins in popular devotion newly commissioned essays describe some of the central ideas of christian marian thought while also challenging popularly held notions this invaluable reference for students and scholars illustrates the current state of play in marian studies as it is done across the world

pilgrimage is found in most religious cultures with large numbers of sites from globally renowned places to regional shrines flourishing historically and in the modern day pilgrimage centres around the world including mecca in saudi arabia guadalupe in mexico lourdes in france santiago de compostela in spain haridwar in india and shikoku in japan attract millions of pilgrims annually while a flourishing spiritual tourism industry has grown to promote the practice in the present day new pilgrimage locations including secular ones with no official affiliation such as graceland elvis presley s house continue to emerge across the world in this very short introduction ian reader explores the factors that affect how pilgrimage has changed over time from contemporary international developments such as mass transportation to changing social attitudes reflected in the motives of pilgrims through the ages he demonstrates the social and international aspects of pilgrimage showing how it has become a way of expressing social identity and cultural heritage as well as being entwined with themes of entertainment and tourism reader explores the key issues and themes of pilgrimage through history to the present looking at its various forms how people take part what is learnt from the journeys and why pilgrimage remains popular in an

increasingly secular age about the series the very short introductions series from oxford university press contains hundreds of titles in almost every subject area these pocket sized books are the perfect way to get ahead in a new subject quickly our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

throughout the history of christianity mary has been a beacon of hope to many who look to her while christians have always prayed to mary they have also sung to her in times of joy and sorrow sing of mary analyzes marian hymnody throughout christianity and particularly in the roman catholic church in the united states from 1854 to today focusing not only on the texts and music but also on the contexts out of which these hymns came by using a holistic methodology drawing from anthropology history liturgy musicology psychology sociology and theology this study takes an interdisciplinary approach toward studying marian theology and devotion through the lens of hymnody this volume accessible to both laypeople and academics provides readers with a clear and full understanding of marian hymnody by looking at many examples throughout the history of christianity up through the present thus shedding light on the history of marian devotion and theology the work concludes by providing hope for the future of marian congregational song particularly by exploring how the magnificat can help marian congregational song be meaningful to a wide range of christians

plastic madonnas packaged holy tours and biblical theme parks can arouse discomfort laughter and even revulsion in religious believers and nonbelievers alike scholars too often see the intermingling of religion and commerce as a corruption of true spirituality suzanne k kaufman challenges these assumptions in her examination of the lourdes pilgrimage in late nineteenth century france consuming visions offers new ways to interpret material forms of worship female piety and modern commercial culture kaufman argues that the melding of traditional pilgrimage activities with a newly developing mass culture produced fresh expressions of popular faith for the devout women of humble origins who flocked to the shrine this intensely exciting commercialized worship offered unprecedented opportunities to connect with the sacred and express their faith in god new devotional activities at lourdes transformed the act of pilgrimage the train became a moving chapel and popular entertainments such as wax museums offered vivid recreations of visionary events using the press and the strategies of a new advertising industry to bring a mass audience to lourdes church authorities remade centuries old practices of miraculous healing into a modern public spectacle these innovations made lourdes one of the most visited holy sites in catholic europe yet mass pilgrimage also created problems the development of lourdes while making religious practice more democratically accessible touched off fierce conflicts over the rituals and entertainments provided by the shrine these conflicts between believers and secularists played out in press scandals across the european continent by taking the

shrine seriously as a site of mass culture kaufman not only breaks down the opposition between sacred and profane but also deepens our understanding of commercialized religion as a fundamental feature of modernity itself

lourdes was at the very centre of nineteenth century debates on religion science and medicine both the church and secularists championed the miracle town as crucial in shaping how society should think about the mind body and spirit since the visions of bernadette soubirous in 1858 transformed the quiet pyrenean town into an international tourist and pilgrimage destination it has been a site for controversy in her well crafted and carefully researched book harris deftly places lourdes and its attendant spiritual movement firmly at the centre of french history and shows its significance in the country s development

isis unveiled published in 1877 is a book of esoteric philosophy and was helena petrovna blavatsky s first major work this book is composed of two volumes the first concentrating on science and the second on religion the two volumes support the idea of spirituality and theosophize in accordance with it
