a practical guide for providing exceptional client service most advertising and marketing people would claim great client service is an elusive ephemeral pursuit not easily characterized by a precise skill set or inventory of responsibilities this book and

its author argue otherwise claiming there are definable actionable methods to the role and provide guidance designed to achieve more effective work written by one of the industry s most knowledgeable client services executives the book begins with a definition then follows a path from an initial new business win to beginning building losing then regaining trust with clients it is a powerful source of counsel for those new to the business for industry veterans who want to refresh or validate what they know and for anyone in the middle of the journey to get better at what they do

promotes the theory that superior customer service leads to a superior business organisation

jenny hayes and frances dredge offer a concise introduction to the business reasons for building good relationships with customers and also examine the management framework of customer service

staff will learn to deliver extraordinary customer service through successful reception management to impart a sense of trust and compassion to build long term relationships with clients appropriate greeting discharge and follow up procedure to handle telephone inquiries communicate fees and deal with walk in clients

you want to know how to use client service skills data and information to support organizational decision making and innovation in order to do that you need the answer to what does your client base have to do to use the service at the touchpoint the problem is which information does the client service skills business case need to include which makes you feel asking how will client and service provider feedback be sought we believe there is an answer to problems like how does the client service skills manager ensure against scope creep we understand you need to hand over client service skills context which is why an answer to how will the client service skills data be analyzed is important here s how you do it with this book 1 verify client service skills completeness and accuracy 2 stay flexible and focused to recognize larger client service skills results 3 keep improving client service skills so what client service skills data will be collected this client service critical questions skills assessment book puts you in control by letting you ask what s important and in the meantime ask yourself which partners will be assigned to the client service team so you can stop wondering does each client have a dedicated service representative and instead align your operating model with remote working so that there is minimal disruption to client service and business this client service guide is unlike books you re used to if you re looking for a textbook this might not be for you this book and its included digital components is for you who understands the importance of asking great questions this gives you the questions to uncover the client service challenges you re facing and

generate better solutions to solve those problems includes all the tools you need to an in depth client service skills assessment featuring new and updated case based questions organized into seven core levels of client service maturity this skills assessment will help you identify areas in which client service improvements can be made in using the questions you will be better able to diagnose client service projects initiatives organizations businesses and processes using accepted diagnostic standards and practices implement evidence based best practice strategies aligned with overall goals integrate recent advances in client service and process design strategies into practice according to best practice guidelines using the skills assessment tool gives you the client service scorecard enabling you to develop a clear picture of which client service areas need attention your purchase includes access to the client service skills assessment digital components which gives you your dynamically prioritized projects ready tool that enables you to define show and lead your organization exactly with what s important

customer service is not a part of your business customer service is your business business success whether retail service based or even direct buyer connection is built by establishing mutually profitable relationships relationships where you make the customer client feel special when you make me feel special you enhance your chances to convert me from a one time customer to a raving fan and long term profitable client and champion what is driving you and your team what is your defined purpose and strategic mission as an organization what is your defined purpose and strategic mission as a professional what are you providing for your prospective clients or customers what are you doing to engage and profitably motivate your team what are you doing to equip yourself and your team to grow and win you make money in business primarily when you are in face to face or phone to phone sales service or follow up contact with your clients you earn that money by delivering on what you contract and you leverage that money by maintaining good client contact and ongoing superior service but first you need to be and or keep in contact with them keep in touch treat them specially and they will come back and bring their friends and colleagues too the art of customer service is a skillful blend of all three with a focus on making your clients feel special we are dedicated to your growth and success we ve seen professionals business owners and top performing salespeople apply these techniques to create successful careers and profitable organizations working to create a customer service based client centered culture will pay top dividends for years to come customer service is a proven success tool for top performing professionals business owners and champion sales people

customer service is of critical importance for the tourism and hospitality sector now more than ever before as customers are looking to increase value for money and are

less forgiving of mediocre service however despite its importance quality customer service is the exception rather than the norm in many parts of the world customer service for hospitality and tourism is a unique text and vital to both students and practitioners as it explains not only the theory behind the importance of customer service but also acts as a guidebook for those wishing to put this theory into practice in essence it is the whys and hows of customer service it is easy to read very current and full of references to all the latest research from both academic and practitioner literature chapters cover important topics such as the financial and behavioural consequences of customer service consumer trends influencing service developing and maintaining a service culture managing service encounters the importance of market research building and maintaining customer relationships providing customer service through the servicescape the impact of technology on customer service the importance of service recovery and promoting customer service internally and externally key features include an at your service spotlight at the beginning of each chapter focuses on the achievements of successful individuals related to the art of customer service each chapter contains a service snapshot short real life cases to illustrate a particular concept or theoretical principle presented in the chapter detailed international case studies which cover a variety of sectors organizations and regions designed to foster critical thinking the cases illustrate actual business scenarios that stress several concepts found in the chapter they analyze customer service in the u s south america south africa europe russia australia china canada korea and dubai

with global markets more crowded than ever it is a major challenge for organizations to attract and retain customers due to the competition they are faced with this text is designed to teach exemplary customer service thinking in public or private domestic or international organizations and is written in a practical common sense manner reflecting current customer service concepts and hints
