seeing through the eyes of the spirit is a bible based practical approach to the place of dreams visions and revelations in the lives of those who are believers in christ jesus it is obvious that some even among christians have problems believing in dreams and revelations as a critical component of spirituality in the times we now live however a close and a thorough examination of the bible in general and the book of acts provides the evidence that what god did in the past does happen in our time because god has not changed moreover further evidence in the book of hebrews notes jesus christ the same yesterday today and forever hebrews 13 8 in other words those who are believers in christ do experience seeing through visions and receiving revelations from god regardless of the skepticism of the modern and postmodern worldview god moves in supernatural ways to accomplish his plans on earth furthermore everyone who has read acts and the entire new testament will also come to the conclusion that the ability to see through dreams and visions did not end with the apostles of the lamb or the early church fathers rather visions and revelations are a commonplace phenomenon for anyone in any age who has had a genuine encounter with the living christ without a doubt there are those who claim to have visions and who have made such claims when their experiences have not been proven to be biblically based or an authentic divine experience from god however just because such people misrepresent the gospel does not negate the fact those with visions and revelations in this time truly had such encounters from god seeing through the eyes of the spirit is a signature of my own experiences in many years of the ministry i trust that the testimony and the teachings from the holy scriptures in this book will inspire future christian leaders to be more prepared for supernatural encounters from the lord

this book brings together seminal articles concerned with the empirical and psychological study of prayer topics discussed include the relationship between prayer and psychological development the place of prayer in the work of doctors caregivers and clergy and the effects of intercessory prayer

the interceding christian outlines the basics of intercession and teaches students of the word to become keen intercessors driving back the forces of darkness with prayer
