me poetry is a kind of oscillation of our conscious or subconscious mind perhaps even the poet may not be able to know how the juice squeezed from our daily life and the thoughts touching all can make poetry yet he continues his writing poetry with an infinite mystery why to write and why not to write is also a question mark swaying constantly in front of the eyes of a poet to explain it more open heartedly it can be said that poetry is a kind of mystery and the creator of this mystery is only the mysterious man creating this mystery the mysterious man has named it poetry a poet creates poetry so he is the creator of poetry this creator is not a mere creator he picks up words and represents the wholeness like the words of god the words of the poet also construct their own subject and make its existence undeniable there is a common notion about the poet that he is the son of apollo but in fact a poet is the son of marsais the rival of apollo and his mournful voice echoes the eternal poetry and the rebellious essence of the poet too so many things happen in this world in the restless hours all these seem to happen in the impeccable gap of creation such incidents are almost unknown to men they hardly know how to ignite fire by rubbing stones or make weapons of stone for hunting what happened in the universe when for the first time men came out of the cave to spend night were they able to soothe their pain and agony created by shadows and illusions and lying on back staring at the starry sky at night they could not cross the deep secret river of creation by swimming and love love is the key to all worldly success as god s love can be gained through love love is almost same and true with poetry the pursuit of beauty in poetry through the art of words is rooted in omnipotent love this love is towards nature towards the earth towards man in a word towards the creative universe if sigmund freud s philosophy theory is to be believed the foundation of this love is towards the opposite sex that is why the seeds of creation of mutual love and affection are between men and women and it is constantly flowing since the dawn of civilization it is very natural that only love has the capability of crossing all the boundaries and reach everywhere to spread itself literature specially poetry gradually becomes widespread within very short period so many brightest stars in sky of art and poetry have gathered under the canopy of munir mezyed foundation for arts and culture in romania for the purpose of global peace and harmony through the international poetic festival odyssey poetry festival of world poets 2020 i am really proud to be the editor of odyssey international anthology for world poet 2020 editing such great anthology with the poems of nearly 200 poets from the whole world is not an easy task but i have been able to accomplish my work due to the blessings and unconditional love of all mr munir mezyed the honourable president of munir mezyed foundation for arts and culture is a symbol of love and loyalty mr mezyed s contribution to global peace and harmony trough poetry is truly admirable he deserves to receive nobel prize in literature and peace we all will work together for him as well as for our mission with my respect and cordial love nurul hoque the editor odyssey international anthology of world poets 2020 the chief coordinator of odyssey international poetry festival romania email nurulhoque10@gmail.com
