you ve decided to prepare yourself for one of the most important journeys of your life marriage and congratulations are in order many couples never stop to consider how important premarital counselling is but it is an essential stepping stone to the extraordinary adventure that marriage is designed to be marriage isn t a sprint it is a marathon the path to making your marriage a source of pride and joy is a journey that unfolds over time not overnight by dedicating your time and energy to this premarital counselling manual you re making one of the wisest decisions for the dream marriage you desire in this course we will cover several important aspects of building a strong lifelong god honouring marriage we will discuss what premarital counselling would do for you signs that you are ready for marriage making sure your expectations are realistic important questions for couples to discuss making sure you ve heard from god and have his peace embracing the reality of the marriage covenant recognising the five stages or seasons of marriage developing a clear marital vision for your marriage understanding and embracing your differences conflict resolution and healthy ways to communicate how to share roles and responsibilities how to manage your finances preparing to enjoy sexual intimacy

dealing wisely with family and in laws keeping god at the centre of your home and marriage preparing yourself for a life of joy fulfilment and lifelong adventure and much more

turn your relationship into a love story that lasts by improving communication strengthening your bond and creating the trust that s essential in relationships couples therapy isn t just for failing relationships even if you trust your partner to be faithful loving and committed you can still benefit from a trust tune up even if you appreciate your partner and they appreciate you you can still benefit from reconnecting every now and then even if you don t think you need couples therapy you can benefit from everything it has to teach you from staying strong when times get tough to savoring the joyful moments together relationships need to be nurtured and couples therapy can help you figure out what your unique relationship needs to thrive maybe you ve thought about therapy for couples in the past but you didn t think it would work for you maybe you didn t want to share your troubles with a total stranger that s where this book comes in the advice in this book will act as your counselor and guide you along as you learn to be a loving partner and build a stronger relationship through simple exercises designed with couples in mind you ll be given the tools you need to be open and honest with yourself and your partner and begin to look at your relationship through new eyes in addition you ll discover research backed advice from a professional relationship counselor how external influences can affect your relationship and how to defend against them worksheets to help you through the relationship exercises questions to ask your partner to increase communication apps and tools to help you through your couples therapy journey and much much more as a bonus you ll also learn about the famous love languages and how you can use them to create a stronger bond if you don t take time to examine and tend to your relationship you ll never find out how fulfilling and rewarding it can be to experience a relationship filled with trust and contentment forget what you ve thought about couples therapy in the past and focus on the present to build a better relationship for the future to become a more loving partner and to receive unconditional trusting love in return click add to cart

reader s comments then along comes your book lands on my desk like a gift which i have barely put down since it stopped me searching for external answers helped me to dig into the knowledge philosophy and way of working which already existed in me i draw on it all the time for inspiration and a way of grounding me in the tentative moments of working towards a delicate connection with the families i encounter i have a lot to be thankful to you for i have now developed a way of working which seems helpful and which enables those around me to find a way forward but perhaps most of all i finally feel comfortable and free to be the same counsellor i am with individuals hurrah kim barber counsellor lecturers comments a fascinating book which combines couple counselling with person centred counselling will be recommended reading for social work students working with couple relationships very readable useful for students of counselling beyomd the title focus of couples and families the only book on couple and family counselling from the person centred approach this book is unique in its articulation of family therapy and the person centred approach it is also engaging in the way couples and the families come to life through charlie o leary s acute and sensitive observation it is an essential text in any person centred therapy library dave mearns university of strathclyde compelling reading i liked this book it is intelligent thought provoking occasionally funny and a delight to read i warmed to the author s passion for the work of carl rogers all relate

counsellors will find something of value even the strict psychodynamic practitioners relate news the author deserves congratulations on his easy readable style this will ensure that the book will be read rather than simply browsed by many sexual and relationship therapy provides a very good introduction for counsellors in working with families british journal of guidance counselling in this highly readable text the theory and practice of counselling couples and families are successfully integrated with principles from the rogerian person centred approach in this sense the book is unique although a lot of counsellors in fact practice relational therapy from a person centred perspective until now no basic text was available in this field alfons vansteenwegen intams review in this unique book the theory and practice of counselling couples and families are integrated with principles from the person centred approach with numerous examples from actual sessions the book clearly illustrates the key issues that couples and families face and the ways in which the counsellor can help them to resolve these to their own satisfaction written primarily from the viewpoint of working with couples and families issues specific to relational counselling are contrasted to those that arise when counselling individuals or non related groups the author then explores the process of relational counselling using the person centred principles of empathy congruence unconditional positive regard and non interference with the clients actualizing tendency

advice and activities to build understanding and communication in relationships where one partner is on the autism spectrum this edition is fully updated to reflect contemporary research and changes to the dsm v and provides exercises for couples to collaboratively work through the challenges that may arise in a neurodiverse relationship

enhance your practice and improve outcomes for autistic clients with this indispensable guide by world leading autism experts tony attwood and maxine aston when working with couples where one or both partners are autistic traditional therapeutic approaches can fall short differences in communication styles expectations and emotional processing can lead to misunderstandings not only between partners but also between clients and their counsellor without a deep understanding of autism therapists may unintentionally provide advice that is ineffective or even harmful this book bridges the gap between conventional relationship counselling and the specific needs of neurodiverse couples drawing on research and firsthand accounts from autistic individuals and their partners it equips therapists with the essential knowledge and practical strategies needed to provide affirming effective support from identifying autism in the counselling room to making meaningful adaptations in sessions this resource will expand your therapeutic toolkit and empower you to foster healthier more fulfilling relationships for neurodiverse couples

do you want to take your relationship to the next level through a series of creative questions are you looking for a book that will make you and your partner more attentive to each other s wants and needs perhaps you are a relatively new couple and are looking for fun and new ways to learn about each other or maybe you have been together for a fair amount of time and are looking for a fun date night quiz game to play with each other well the search for an exciting way to get to know each other all over again or for the first time is over the counselor s quiz book for couples will give you hours of laughter while you learn all about your partner the term counseling often gets a bad rep but it doesn t always have to be a drag in fact with this book it can even be a fun date night game to play with your other half through

this book you will foster new connections with your partner asking them questions that you never even would have considered and receiving answers that will blow you away this book is the best way to get to know the most important person in your life and take your relationship to a whole new level the counselor s quiz book for couples is the perfect blend of serious romantic and fun questions this means you will not only learn a lot about your partner and yourself but you will also have tons of fun along the way inside this book you will discover a deeper connection to your partner that will bring you closer than ever endless hours of fun intriguing and romantic questions for you to sink your teeth into a well thought out and planned counseling book written by an author who loves love a quiz that isn t full of boring or unnecessary questions a fun couples activity that will let you learn more about your partner and your relationship and that s not all even if your partner tends to be less talkative about their feelings this book will help them open up through a fun and well planned quiz that doesn t pressure them to share more than they want to what are you waiting for download a copy of this book today and start the fun and games don t miss the opportunity to become even closer to the person you love

do you feel that the spark is gone here s how to bring it back and save your marriage do you miss the emotional intimacy you used to have do you wonder why you can t stop arguing about random things do you love your spouse but there are too many misunderstandings between you don t file for divorce just yet getting married is much easier than staying married in the worst case your love can get completely buried under a mountain of grudges undone household chores bad relationship habits mediocre sexual experiences and so on but if you still love each other you can rebuild the trust and intimacy between you you can rekindle the spark that you had when you first fell in love you can find a way to talk about your differences without getting angry at each other these workbooks will teach you the techniques and exercises used by professional therapists in couples counseling the workbooks will help you cultivate mindful habits that will instantly make both of you happier rekindle your passion and have good sex despite being married for years discover the real reason why you re arguing so much use dialectical behavior therapy to solve conflicts without anger and resentment have honest conversations about your relationship and fix problems quickly the exercises and techniques in the workbooks will work even if you believe that your marriage is uniquely terrible dialectical behavior therapy and mindfulness are scientifically proven approaches that have already saved countless marriages and they can save yours too scroll up click the buy now button and get your copy now

the second edition of this essential and newly updated workbook is intended for use with couples who want to enhance their emotional connection or overcome their relationship distress it closely follows the course of eft treatment and allows clinicians to easily integrate guided reading reflection and discussion into the therapeutic process incorporating new developments in eft and decades of research in the field of attachment veronica kallos lilly and jennifer fitzgerald include chapters that explore concepts such as attachment bonds the three cycles of relationship distress how to make sense of emotions relationship hurts and more the workbook follows the familiar and accessible format of the first edition read reflect and discuss and weaves fresh illustrative examples throughout with updated content considering the impact of gender culture and sexual orientation on relationship dynamics added reflections on these topics and an expanded section on sexuality dispels constraining popular myths and frees partners up to express themselves more openly this book is
