containing 2 729 entries kevin l seligman s bibliography concentrates on books
manuals journals and catalogs covering a wide range of sartorial approaches
over nearly five hundred years after a historical overview seligman
approaches his subject chronologically listing items by century through 1799
then by decade in this section he deals with works on flat patterning draping
grading and tailoring techniques as well as on such related topics as
accessories armor civil costumes clerical costumes dressmakers systems fur
gloves leather military uniforms and undergarments seligman then devotes a
section to those american and english journals published for the professional
tailor and dressmaker here too he includes the related areas of fur and
undergarments a section devoted to journal articles features selected articles
from costume and noncostumerelated professional journals and periodicals
the author breaks these articles down into three categories american english
and other seligman then devotes separate sections to other related areas
providing alphabetical listings of books and professional journals for costume
and dance dolls folk and national dress footwear millinery and wigmaking and
hair a section devoted to commercial pattern companies periodicals and
catalogs is followed by an appendix covering pattern companies publishers
and publications in addition to full bibliographic notation seligman provides a
library call number and library location if that information is available the

majority of the listings are annotated each listing is coded for identification and cross referencing an author index a title index a subject index and a chronological index will guide readers to the material they want seligman s historical review of the development of publications on the sartorial arts professional journals and the commercial paper pattern industry puts the bibliographical material into context an appendix provides a cross reference guide for research on american and english pattern companies publishers and publications given the size and scope of the bibliography there is no other reference work even remotely like it

a true record of an era this unabridged facsimile of the retail giant s 1895 catalogue showcases some 25 000 items from the necessities of life to products whose time has passed illustrated
