describes the background to the 1st and 6th service battalions the border regiment from 1907 to 1914 in gibraltar india and burma followed by their fortunes throughout the gallipoli campaign includes 2 appendixes roll of officers who served at gallipoli from 25 april 1915 to 10 january 1916 and roll of warrant officers ncos and soldiers

another weighty regimental history two volumes 820 pages in all covering the record of twenty two battalions in france flanders italy and gallipoli all of them served on the western front when war broke out the regiment consisted of two regular battalions 1st and 2nd two special reserve 3rd and 4th and four territorial battalions 5th to 8th the 1st battalion went to france with 6th division in september 1914 the 2nd battalion came home from malta to join the newly formed 8th division regular and went to france in november 1914 both battalions

remained in the same brigades 18th and 23rd and divisions throughout the war the four territorial battalions each formed a 2nd and a 3rd line battalion the four original battalions made up the 146th brigade 49th west riding division arriving in france in april 1915 the second line battalions combined to make the 185th brigade 62nd 2nd west riding division which arrived in france in january 1917 kitchener s call to arms resulted in eleven service battalions being raised 9th to 18th the 17th was formed as a bantam battalion and 21st of these only 13th and 14th did not go on active service the 21st battalion became a pioneer battalion in 4th division and the 22nd was a labour battalion which also went to france this history records events in chronological order the dates of the operations being described are shown in the margin as are the identities of the battalions involved volume 1 x 355pp with 18 maps and 15 b w photos covers the period from the outbreak of war to the end of 1916 the close of the somme offensive and includes the dardanelles campaign where the 9th battalion was in action with the 11th northern division on 1st july 1916 the first day of the somme the 10th battalion attacked at fricourt and incurred the heaviest casualties of any battalion 710 of whom 307 were killed including the co 2ic adjutant and two company commanders more than half of them are in in fricourt new military cemetery which is in the no man s land across which they attacked and where they died the co lt col dickson and his adjutant capt shann lie side by side there is a roll of honour for the period covered in which the other ranks are listed alphabetically by battalions as are the territorial battalion officers the other officers are shown in one group in alphabetical order with the battalion number in front of the name although the note at the head of the officer casualty list states that the theatre in which death occurred is france and flanders unless otherwise indicated nonetheless gallipoli is not shown against the names of the officers of the 9th battalion who died there and so one is left with the wrong impression they died on the western front

since the creation of the standing army in 1661 when each regiment was known by the name of its current colonel there have been many reforms and rationalizations of the british army from 31 cavalry regiments and 113 infantry regiments in 1881 at the time of this title s first publication in 1988 the army had reduced to just 16 regiments of armour and 39 regiments of infantry through processes of absorption and amalgamation the handbook of british regiments provides insight into the lineage and history of the approximately 85 regiments and corps which formed the british army towards the end of the 1980s comprehensive in coverage each has a separate entry giving factual details in a layout standardized for easy comparison including current title colonel in chief uniform and history amongst others a key title amongst routledge reference reissues this handbook provides an accessible guide to specialists as well as lay enthusiasts and illustrates a sense of the continuity and inherited tradition of each regiment and corps
