postmodernism is a notoriously elusive concept and still the object of critical debates among scholars across a range of different disciplines in literature in particular these debates are complicated by postmodern styles emanating from outside the concept s western origins by analyzing contemporary hindi novels and drawing on both western and hindi literary criticism postmodern traces and recent hindi novels aims to understand some of the manifestations of postmodernism in contemporary hindi fiction including ways the latter might challenge the traditional parameters of postmodern literature this book is essential reading for scholars and students specializing in south asian studies and both postcolonial and comparative literature it will also interest the general reader curious to know more about one of the less explored areas of world literature

this volume brings together fourteen essays written by literary critics historians and political theorists which look at the early novels in different indian languages and the circumstances of their production most of the essays challenge the old assumption that the novel in india was a genre directly imported from the west and address the issues of plural heritage and the economic and social determinants that interacted to make the shaping of this literary form a tangled and complex process in our languages

a major activity of the sabitya akademi is the preparation of an encyclopaedia of indian literature the venture covering twenty two languages of india is the first of its kind written in english the encyclopaedia gives a comprehensive idea of the growth and development of indian literature the entries on authors books and general topics have been tabulated by the concerned advisory boards and finalised by a steering committee hundreds of writers all over the country contributed articles on various topics the encyclopaedia planned as a six volume project has been brought out the sabitya akademi embarked upon this project in right earnest in 1984 the efforts of the highly skilled and professional editorial staff started showing results and the first volume was brought out in 1987 the second volume was brought out in 1988 the third in 1989 the fourth in 1991 the fifth in 1992 and the sixth volume in 1994 all the six volumes together include approximately 7500 entries on various topics literary trends and movements eminent authors and significant works the first three volume were edited by prof amaresh datta fourth and fifth volume by mohan lal and sixth volume by shri k c dutt

the encyclopaedia which brings together an array of experts gives a perspective on the fascinating journey of hindi cinema from the turn of the last century to becoming a leader in the world of celluloid

presents the indian literatures not in isolation in one another but as related components in a larger complex conspicuous by the existence of age old multilingualism and a variety of literary traditions

english heart hindi heartland examines delhi s postcolonial literary world its institutions prizes publishers writers and translators and the cultural geographies of key neighborhoods in light of colonial histories and the globalization of english rashmi sadana places internationally recognized authors such as salman rushdie anita desai vikram seth and aravind adiga in the context of debates within india about the politics of language and alongside other writers including k satchidanandan shashi deshbande and geetanjali shree sadana undertakes an ethnographic study of literary culture that probes the connections between place language and text in order to show what language comes to stand for in people s lives in so doing she unmasks a social discourse rife with questions of authenticity and cultural politics of inclusion and exclusion english heart hindi heartland illustrates how the notion of what is considered to be culturally and linguistically authentic not only obscures larger questions relating to caste religious and gender identities but that the authenticity discourse itself is continually in flux in order to mediate and extract cultural capital from india s complex linguistic hierarchies literary practitioners strategically deploy a fluid set of cultural and political distinctions that sadana calls literary nationality sadana argues that english and the way it is positioned among the other indian languages does not represent a fixed pole but rather serves to change political and literary alliances among classes and castes often in surprising ways

what role have translations from hindi literary works played in shaping and transforming our knowledge about india in this book renowned scholars translators and hindi writers from india europe and the united states offer their approaches to this question their articles deal with the political cultural and linguistic criteria germane to the selection and translation of hindi works the nature of the enduring links between india and europe and the reception of translated texts particularly through the perspective of book history more personal essays both on the writing process itself or on the practice of translation complete the volume and highlight the plurality of voices that are inherent to any translation as the outcome of an international symposium held at the university of lausanne switzerland in 2008 india in translation through hindi literature engages in the building of critical histories of the encounter between india and the west the use and impact of translations in this context and hindi literature and culture in connection to english post colonial power literature and culture

subaltern narratives in fiji hindi literature is the first comprehensive study of fiction written in fiji hindi that moves beyond the hegemonic and colonially implicated perspectives that have necessarily informed top down historical accounts mishra makes this case using two extraordinary novels [?] *aukā purān* a subaltern tale 2001 and *fiji maa* mother of a thousand 2018 by the fiji indian writer subramani they are massive novels respectively 500 and 1 000 pages long written in the devanāgar [?] sanskrit script they are examples of subaltern writing that do not exist as a legitimation of the subaltern voice anywhere else in the world the novels constitute the silent underside of world literature whose canon they silently challenge for postcolonial diaspora and subaltern scholars they are defining indeed definitive texts without which their theories remain incomplete theories require mastery of primary texts and these subaltern novels heroic compositions as they are in the vernacular offer a challenge to the theorist

this book sheds light on the complex relationship between hindi and urdu through a detailed reading of a representative set of 20th century short stories in both languages the author leads the reader towards a clear definition of the differences between hindi and urdu the full translations of the stories have been extensively annotated to point out the details in which the hindi and urdu versions differ an overview of early and contemporary hindi urdu and hindustani grammars and language teaching textbooks demonstrates the problems of correctly naming and identifying the two languages this book now offers a detailed and systematic database of syntactic morphological and semantic differences between the selected hindi and urdu stories a useful tool for all scholars of modern hindi urdu fiction socio linguistics history or social sciences

this book analyzes the representations of the subjects of hindi cinema as a way of gaining insights into the hegemony of the upper caste hindu male in narratives of nationhood given that hindi cinema has narrativized the nation after 1947 the book examines how these subjects were chosen and argues that they were upper caste hindu and predominantly male the author's analysis shows asymmetries in the constitution of the imagined nation in the public consciousness women the marginalized categories and minorities were presented as others with separate stories for the issues dealing with them but distinct from that of the nation stories centered on women primarily highlight their position within society in this context the book argues that it is the male protagonist whose story mirrors that of the nation as allegory a novel contribution to the field of bollywood studies this insightful work will be of interest to those studying hindi cinema and film studies political science and history as well as gender studies

in the early twentieth century british imperialism in india was at its peak and anti colonial sentiments were on the rise the nationalist desire for cultural self identification was gaining ground

and an important articulation of this was the demand for a national language and literature to represent a modern india it was in this context that mahavir prasad dwivedi a novel daring and contentious litterateur launched his multimedia campaign of constructing a new hindi literary establishment as the long time editor of the hindi journal sarasvat [?] dwivedi s influence was so far reaching that this period of modern literature in hindi is known as the dwivedi era however he had to face stiff opposition as well sujata mody s book sheds light on the interactions between dwivedi and his supporters and detractors and shows how dwivedi s responses to challenges were pragmatic and strategically varied the making of modern hindi presents dwivedi as a dynamic and influential arbiter of literary modernity whose exchanges with competing authorities are an important piece in the history of hindi literature

in a blow against the british empire khan suggests that london artificially divided india s hindu and muslim populations by splitting their one language in two then burying the evidence in obscure scholarly works outside the public view all language is political and so is the boundary between one language and another the author analyzes the origins of urdu one of the earliest known languages and propounds the iconoclastic views that hindi came from pre aryan dravidian and austric munda not from aryan s sanskrit which like the indo european languages greek and latin etc are rooted in the middle east mesopotamia not in europe hindi s script came from the aramaic system similar to greek and in the 1800s the british initiated the divisive game of splitting one language in two hindi for the hindus and urdu for the muslims these facts he says have been buried and nearly lost in turgid academic works khan bolsters his hypothesis with copious technical linguistic examples this may spark a revolution in linguistic history urdu hindi an artificial divide integrates the out of africa linguistic evolution theory with the fossil linguistics of middle east and discards the theory that sanskrit descended from a hypothetical proto indoeuropean language and by degeneration created dialects urdu hindi and others it shows that several tribes from the middle east created the hybrid by cumulative evolution the oldest groups austric and dravidian starting 8000 b c provided the grammar syntax plus about 60 of vocabulary s k t added 10 after 1500 b c and arabic persian 20 30 after a d 800 the book reveals mesopotamia as the linguistic melting pot of sumerian babylonian elamite hittite hurrian mitanni etc with a common script and vocabularies shared mutually and passed on to i e s k t d r arabic and then to hindi urdu in fact the author locates oldest evidence of s k t in syria the book also exposes the myths of a revealed s k t or hebrew and the fiction of linguistic races i e aryan semitic etc the book supports the one world concept and reveals the potential of urdu hindi to unite all genetic elements races and regions of the indo pakistan sub continent this is important reading not only for those interested to understand the divisive exploitation of languages in british led india s partition but for those interested in the science and history of origin of urdu hindi and other languages the false claims of linguistic races and creation history of languages and scripts language mythology and racism ancient history and fossil languages british rule and india s partition

this book analyses how a language became the instrument with which the contours of a new nation were traced mapping the success of formalized hindi in creating a regional public sphere in north india in the early twentieth century the book explores the way many educated indians influenced by the british ideas and institutions expressed interest in new concepts such as progress unity and a common cultural heritage from the development of new codes and institutions to a language that helped to create space for argument and debate the book gives an overview of the hindi public sphere furthermore it throws light on the work of vasudha dalmia about the nascent hindi public sphere and brings to light how early twentieth century discourses on language literature gender history and politics form the core of the hindi culture that exists today
