many christians have specific questions regarding the operational structures of the catholic church its beliefs and practices and are looking for direct answers ones that are not readily available nor found in sunday homilies in this book the author presents in question and answer format information about the catholic church its sacramental life beliefs and practices the questions are grouped according to major topics such as the catholic church its operational

structures the particular churches and their groupings the parish church the teaching and sanctifying offices of the church and catholic beliefs and practices thus the book will guide readers to a better understanding and appreciation of the catholic church

father lafont challenges the church to offer a renewed image and to speak credibly without abandoning any essentials given by god to the church and without sacrificing the radicalism of the gospel message book jacket title summary field provided by blackwell north america inc all rights reserved

the book has more than historical interest for anglicans it has a distinct contribution to make to the doctrine of the church and the theology of minstry james e griffiss professor of systematic theology at nashota house a classic theological study worthy of serious reading and thought ramsey s careful often moving and beautiful exposition of his underlying conviction includes deep probing of the bible a survey of the unfolding understanding of christ and the church a profound insight into the being of the church as a dying and rising again with christ an appreciation of eastern orthodox thought a testimonial to the positive intentions even the necessity of the reformers a theologically grounded advocacy of renewed liturgical worship and a passion for the reunion of all christians andrew f wissemann bishop of western massachusetts from the preface to the american edition

offers a wealth of information about jesus and his message the bible and the people and events in it the mass and the sacraments and their rituals the church and its beliefs its saints its prayers and its traditions

roman catholicism stands at a crossroads a classic best of times worst of times moment on the one hand the catholic church remains by far the largest branch of the worldwide christian family and is growing at a remarkable clip yet the church has also been rocked by a series of scandals related to the sexual abuse of minors by clergy and even more devastating the cover up by the church hierarchy the decade long crisis has taken a massive financial toll but the blow to both the internal morale and the external moral standing of the church has been even steeper today the church has enormous residual strength and exciting future prospects but also faces steep internal and external challenges the question of whither catholicism is of vital public relevance for believers and non believers alike in the catholic church what everyone needs to know john l allen jr one of the world s leading authorities on the vatican offers an authoritative and accessible guide to the past present and future of the church this updated edition includes a new chapter on the resignation of pope benedict xvi the election of pope francis and his extraordinary tenure thus far

document from the year 2019 in the subject didactics theology religion pedagogy grade 1 0 university of calabar language english abstract this book tries

to give an overview over the pillars of catholic faith and tries to introduce and explain those foundations of faith from several points of view this book is not a specialized theological work rather it is a lucid explanation of the catholic faith capable of reviving spiritually dead and dying catholics to full realization of the richness of the heritage they are entrusted with it starts with a explanation of the roman catholic church itself before moving on to the topic of virgin mary the sacred images of the roman catholic church and its saints subsequently the holy rosary and the doctrin eof purgatory as well as the eucharist are explained before trying to answer some of the most pressing questions in connenction with the catholic church finally the book closes by discussing the way of the mass and the holy spirit

like all of us i have been given a number of gold coins to invest by and for our savior jesus christ this manual on our faith and the current state of our church is i pray a multiplication and proper use of the gifts loaned to me now there are varieties of gifts but the same spirit and there are varieties of service but the same lord and there are varieties of working but it is the same god who inspires them all in every one to each is given the manifestation of the spirit for the common good 1 corinthians chapter 12 4 8 i am compelled to write and compile this work for a variety of reasons foremost is the urgent need for an orthodox compelling easy to read comprehensive source for all those who desire to teach and share our faith with our family and in our church it is an ideal catechesis resource working part time with a strong sense of dedication it has taken about five years to complete this work my mentor father john a hardon s j deceased may he rest in peace was fond of reminding us that we can t teach what we ourselves don t know or understand if you wish to know a lot more about your roman catholic faith you will find what you re seeking in this manual included are bites of the collective wisdom of christ and the church fathers of the past and present there are a wide variety of topics and subjects to expose issues and topics seldom taught discussed or explained in today s often permissive catholic church we cover topics from prayer to popes sacraments to crucifixion truth to saints the proper role of the laity include a catholic resource guide and much more we explain how our current church culture came to be and how and where it s heading the news is not all good this is a book i pray my kids and grandkids will read and take to heart read it you ll likely feel the same way there are many things despite our attempts and desires that we must leave to the holy spirit that too is a gift from god to be clear and fair this is not a novel it is a manual formatted as mini books that explain faithfully and clearly who we as roman catholics are called to be and how we are to live and share our faith it is traditional orthodoxy in an abbreviated and easy to understand script this treasury will inform you about our faith and the status of our church and world today it is filled with quotes of timeless wisdom it is my prayerful hope that you will enjoy and share it with those you love and those you catechize god s continued blessings pat

offers a brief history of the catholic church from its roots in the teachings of jesus christ to the present day

the blackwell companion to catholicism offers an extensive survey of the history doctrine practices and global circumstances of roman catholicism written by a range of distinguished and experienced catholic writers engages its readers in an informed and informative conversation about roman catholic life and thought embraces the local and the global the past and the present life and the afterlife and a broad range of institutions and activities considers both what is distinctive about catholic life and thought and how catholicism overlaps with and transforms other ways of thinking and living topics covered include peacemaking violence and wars money the vow of poverty and socio economic life art by and about catholics and men women and sex

why do catholics confess their sins what does jesus second coming mean how does someone such as mother teresa become a saint this guide answers these questions and more this resource addresses the teachings tradition history and theology of the catholic church with this guide you ll learn the foundations of the faith featuring explanations of what the parts of the mass mean baptism confirmation and the other sacraments the priesthood and religious life today the life death and resurrection of jesus christ mary s relationship with modern catholics sin judgment and salvation this approachable book also highlights twenty first century issues and questions modern catholics face including gay marriage abortion and the death penalty it s the ultimate guide to understanding catholicism for readers of all backgrounds and faiths

there have been many books about conversion and the catholic church but only one with the unique flavour of g k chesterton s the catholic church and conversion written over thirty years ago it has all the enduring qualities that characterize chesterton s writing robust commonsense a quick eye for the absurd understanding of an opponent s point of view wit that is trenchant but never malicious and these make it as fresh and as fully relevant today as it was on the day of publication what asks chesterton do people outside the church think about it what do they fear he then goes on to show that the two ideas the church is popularly supposed to stifle reason and liberty are in fact the starting point for catholics far from being obliged to surrender his right to individual thought the catholic must on the contrary learn how to think and to use his reason drawing on his rich fund of humour and formidable powers of argument chesterton goes on to demolish one after another of the misconceptions about catholicism from patriotism versus the papacy to sinister jesuits and praying to statues he traces too with a sympathetic insight that reflects his own spiritual journey the three stages of conversion patronising the church discovering the church and running away from the church that precede the final momentous decision supplemented by two additional essays long out of print upon this rock and the reason why this book has all the seriousness sincerity and sparkling high spirits that led george bernard shaw to describe its author as a colossal genius and which have made him the best loved writer of the present century publisher

a one volume self instructional reference for use as an introduction to the rites beliefs and history of the catholic church

an approachable read for both catholics who want to brush up on their knowledge of the faith and curious passersby fundamentals of catholicism volume 1 offers an excellent introduction to the fundamental precepts and beliefs of the catholic church clear direct and thoughtfully written this book explores the creed and the ten commandments in order to explain the basic theological and moral teachings of the church and encourage catholics in their everyday lives of faith

the nature of the church and the authority of the pope explained with clarity and verve msgr ronald knox shows that the catholic church is not just an assembly of christians but is directly the handiwork of god deliberately designed by him as a hierarchical institution headed by the pope

the church our story catholic tradition mission and practice provides students with a means for understanding some of the traditional definitions of the catholic church while acknowledging the importance of the historical perspective this course emphasizes the living church that makes christ present to the world today the course is constructed around key definitions that help students to formulate an understanding of ecclesiology such as the people of god the church as servant and the church as sacrament each definition has a historical component that traces its meaning through major periods of church history helping students understand how the church reflects the light of christ today

for nearly twenty centuries the roman catholic church withstood all the currents of change and history and maintained a closely guarded orthodoxy which has always served as the basis and center of all christianity yet it is as if all of that has been just arbitrarily swept away in the few years since vatican ii given what the church has always taught about itself being indefectible how could this have happened did that council have something to do with that terrible loss of faith can the real catholicism be found today and if so where the shocking answer to this once seen and truly understood is as every bit as glorious as the original resurrection of christ himself a tremendous source of faith and inspiration it is a broad based longstanding miracle passing right before our eyes have we but the grace to see it for what it is

this book presents in popular language the fundamental convictions of some four hundred million people who belong to the roman catholic church to the non catholic it offers a clear readable summation of catholicism today and to the catholic a ringing reaffirmation of the faith by which he lives a faith which has remained unshaken through twenty stormy centuries the catholic faith to be rightly understood must not be viewed merely in its externals the authors remind us it is something more than an institution responsible for countless hospitals social agencies and houses of charity it is not merely the age old church which has for centuries fostered education scholarship and culture it is indeed more than a church distinguished by its ceremonial its mass its

sacraments its beliefs its hierarchy to see all this is only to see catholicism from without catholicism is a way of life the purpose of this book is to contribute to a deeper appreciation of the catholic faith and to elucidate the basic reasoning behind the faith we begin with a discussion of the very god above us and proceed through a series of connected arguments to the catholic church in the world today what does the catholic believe catholicism and reason shows how the new testament with particular reference to the four gospels has been proven a reliable history book how christ proclaimed his mission from god and the credentials the miracles and prophecies which were his how he chose peter as the rock upon which to build his church and designated peter and his successors as its spiritual leaders and how the church exemplifies through unity holiness universality and apostolicity the teachings of christ concepts frequently misunderstood by non catholics the infallibility of the church and its position regarding the functions of church and state are definitively clarified here scholarly concise and readily understandable catholicism and reason provides the catholic reader with an inspiring re evaluation of the tenets of his church and it opens to the non catholic the way toward an enlightened understanding of the viewpoint of his catholic neighbors publisher
