accent the participation of the whole family of faith by discovering the meaning and blessing of holy rituals

this book contains a description of a variety of religions the title of the religious leader days held sacred beliefs related to health and illness their customs and practices death and dying beliefs related to medical practices beliefs related to reproduction and possible implications related to health care a book such as this is valuable given the multicultural context in which we all live and work

practical theology has outgrown its traditional pastoral paradigm the articles in this handbook recognize that faith spirituality and lived religion within and beyond institutional communities refer to realms of cultures ritual practices and symbolic orders whose boundaries are not clearly defined and whose contents are shifting the international handbook of practical theology offers insightful transcultural conceptions of religion and religious matters gathered from various cultures and traditions of faith the first section presents concepts of religion chapters have to do with considerations of the conceptualizing of religion in the fields of anthropology community family institution law media and politics among others the second section is dedicated to case studies of religious practices from the perspective of their actors the third section presents major theoretical discourses that explore the globally significant

diversity and multiplicity of religion altogether sixty one authors from different parts of the world encourage a rethinking of religious practice in an expanded transcultural globalized and postcolonial world

scholars of religion have long assumed that ritual and belief constitute the fundamental building blocks of religious traditions and that these two components of religion are interrelated and interdependent in significant ways generations of new testament and early christian scholars have produced detailed analyses of the belief systems of nascent christian communities including their ideological and political dimensions but have by and large ignored ritual as an important element of early christian religion and as a factor contributing to the rise and the organization of the movement in recent years however scholars of early christianity have begun to use ritual as an analytical tool for describing and explaining christian origins and the early history of the movement such a development has created a momentum toward producing a more comprehensive volume on the ritual world of early christianity employing advances made in the field of ritual studies the oxford handbook of early christian ritual gives a manifold account of the ritual world of early christianity from the beginning of the movement up to the fifth century the volume introduces relevant theories and approaches central topics of ritual life in the cultural world of early christianity and important christian ritual themes and practices in emerging christian groups and factions

the comprehensive 2005 study of rituals in early modern europe argues that between about 1400 and 1700 a revolution in ritual theory took place that utterly transformed concepts about time the body and the presence of spiritual forces in the world edward muir draws on extensive historical research to emphasize the persistence of traditional christian ritual practices even as educated elites attempted to privilege reason over passion textual interpretation over ritual action and moral rectitude over gaining access to supernatural powers edward muir discusses wide ranging themes such as rites of passage

carnavalesque festivity the rise of manners protestant and catholic reformations the alleged anti christian rituals of jews and witches this edition examines the impact on the european understanding of ritual from the discoveries of new civilizations in the americas and missionary efforts in china and adds more material about rituals peculiar to women

developed out of the author s 20 year experience of leading women s retreats this ecospirituality program invites women to go out into nature and look for the metaphors that have meaning for them as they journey on the path to discover the authentic spiritual self

refine your heart and mind with the wisdom of islamic spirituality to live a meaningful life one that brings us joy contentment and fulfillment we have to do the inner spiritual work of becoming a more complete human being from the introduction over the centuries islamic sages have gleaned timeless spiritual insights and practices from sacred texts meditation and knowledge of the heart gems that have been passed down from generation to generation this book invites you no matter what your practice may be to access the treasure chest of islamic spirituality particularly sufism and use its wealth to strengthen your own journey the riches include guidance drawn from the qur an sayings of the prophet muhammad and sufi poets such as the thirteenth century rumi on cultivating awareness intentionality and compassion for self and others this book also features entertaining wisdom teaching stories especially those of mulla nasruddin islam s great comic foil to expand the mind and heart it breaks down barriers to accessing this ancient tradition for modern seekers by dispelling myths about the muslim faith concerning gender bias inclusivity and appreciation for diversity regardless of where you are on your spiritual journey you will find these gems worthy additions to your own treasure chest within

part introduction to tantric traditions part personal growth guide this exploration of the eternal moon phase goddesses with nightly meditation and journaling practices is for anyone who wants to embrace the confusion loss loneliness desire and pleasure that make up the spectrum of human experience and better understand who they already are

discover the power of dialogue to heal religious division how can members of different faith traditions approach each other with openness and respect how can they confront the painful conflicts in their history and overcome theological misconceptions for more than twenty years professors mary c boys and sara s lee have explored ways that catholics and jews might overcome mistrust and misunderstandings in order to promote commitment to religious pluralism at its best interreligious dialogue entails not simply learning about the other from the safety of one s own faith community but rather engaging in specific learning activities with members of the other faith learning in the presence of the other drawing upon examples from their own experience boys and lee lay out a framework for engaging the religious other in depth with vision and insight they discuss ways of fostering relationships among participants and with key texts beliefs and practices of the other s tradition in this groundbreaking resource they offer a guide for members of any faith tradition who want to move beyond the rhetoric of interfaith dialogue and into the demanding yet richly rewarding work of developing new understandings of the religious other and of one s own tradition

the death of the italian jesuit matteo ricci in china in 1610 was the occasion for demonstrations of european rituals appropriate for a catholic priest and also of chinese rituals appropriate to the country hosting the jesuit community rather than burying ricci immediately in a plain coffin near the church according to their european practice the jesuits followed chinese custom and kept ricci's body for nearly a year in an air tight chinese style coffin and

asked the emperor for burial ground outside the city walls moreover at Ricci's funeral itself on their own initiative the Chinese performed their funerary rituals thus starting a long and complex cultural dialogue in which they took the lead during the next century

includes section book reviews

This work is a practical overview of religious and spiritual issues in psychiatric assessment and treatment eleven distinguished contributors assert that everyone has a worldview and that these religious and spiritual variables can be collaborative partners of science bringing critical insight to assessment and healing to treatment unlike other works in this field which focus primarily on spiritual experience this clearly written volume focuses on the cognitive aspects of belief and how personal worldview affects the behavior of both patient and clinician informative case vignettes and discussions illustrate how assessment formulation and treatment principles can be applied within the different faith traditions of Catholic and Protestant Christians Hindus Buddhists Muslims Jews and secularists atheists and agnostics this refreshing text sheds much needed light on an area too often obscure to many clinicians bridging several disciplines in a novel way this thought provoking volume will find a diverse audience among mental health care students educators and professionals everywhere who seek to better integrate the religious and spiritual aspects of their patients' lives into assessment and treatment

This is a comprehensive and well elaborated review of conceptual frameworks for counseling and therapy in cross cultural problems most of the widely spread literature is organized into groups methodology is presented in an even flow with access to diagnostic considerations and the variety of racial and

cultural parameters encountered in the subject is thus made clear all the concepts developed in this book can be applied to a client population of a variety of ethnic groups readings a journal of reviews and commentary in mental health this handbook is intended to help meet the need for information on and training in cross cultural counseling and therapy pedersen has provided a convenient reference source that reviews the history present status fundamental assumption s fundamental theories and future directions of forty different specializations within the broad field of cross cultural counseling each chapter is written by a recognized specialist in the field the chapters are evenly divided into five parts covering perspectives counseling methods client populations key issues of controversy and research and guidelines for education and training by including so many of the most prominent authors in one volume and by condensing their most important messages the book becomes a virtual encyclopedia for a rapidly changing field
