this book shines a spotlight on the causes and consequences of working poverty revealing how the lives of low wage workers are affected by differences in health care labor and social welfare policy in the united states and canada dan zuberi s conclusions are based on survey data eighteen months of participant observation fieldwork and in depth interviews with seventy seven hotel employees working in parallel jobs on both sides of the border two hotel chains each with one union and one non union hotel in seattle and vancouver provide a vivid crossnational comparison because they are similar in so many regards the one major exception being government policy zuberi demonstrates how labor health social welfare and public investment policy

affect these hotel workers and their families his book challenges the myth that globalization necessarily means hospitality jobs must be insecure and pay poverty wages and makes clear the critical role played by government policy in the reduction of poverty and creation of economic equality zuberi shows exactly where and how the social policies that distinguish the canadian welfare state from the u s version make a difference in protecting canadian workers from the hardships that burden low wage workers in the united states differences that matter which is filled with first person accounts ends with policy recommendations and a call for grassroots community organizing

295 flight attendant interview questions with answers that work is a very unique book which evolved from the first edition which had only 101 questions in 1998 it has always been a companion to another book written by tom janovsky called flight attendant career isbn 978 1 7337588 0 2 the fifth edition of that book was published in 2019 both books helped thousands to the highly coveted job as a flight attendant tom janovsky spent years working for the airlines and by far he enjoyed the most working for delta air lines as a flight attendant he attended many open houses for the flight attendant job and saw that while he always got in there was a huge number of those who have come to one interview after another but were always rejected since he had a knack for simplifying concepts wrote several manuals for physicians and nurses when working as a registered nurse in critical care he authored his first book on how to succeed at airline interviews this question and answer book is now in its 5th edition it owes its success to the system used for preparing flight attendant candidates for the tough interviews it features all questions tom collected around the world over the last two decades and each question is followed by an answer that worked for many people during interviews those answers are merely examples so that each candidate can come up with his or her own answer that is uniquely theirs but along the successful line it is profusely illustrated mainly but great aviation photos taken by a czech aviation professional mr martin novak

migration and the mobility of citizens around the globe pose important challenges to the linguistic and cultural homogeneity that nation states rely on for defining their physical boundaries and identity as well as the rights and obligations of their citizens a new social order resulting from neoliberal economic practices globalisation and outsourcing also challenges traditional ways the nation state has organized its control over the people who have typically travelled to a new country looking for work or better life chances this collection provides an account of the ways language addresses core questions concerning power and the place of migrants in various institutional and workplace settings it brings together contributions from a range of geographical settings to understand better how linguistic inequality is re produced in this new economic order
