This book was written by a goalkeeper for goalkeepers. It comprehensively covers all of the skills, responsibilities, and equipment that provide the foundation for goalkeeping excellence at all levels and ages. During my own career, I won many awards from outstanding goalkeeper to the most respected award of all: fairest and best. I was awarded the latter whilst playing in the highly competitive Western Australian Under 21s youth league. I have trained under some of the best coaches in the country, including former Australian Soccerroos national coach Frank Schaeffer. What you will read here is a combination of my own experience and comprehensive research on all of the aspects that make up a goalkeeper par excellence. There is much more to goalkeeping than that exhilarating fingertip save that brings a crowd to their feet in applause. The art of goalkeeping requires a broad set of skills and the equipment to match to take you from being just good to outstanding. This book is designed to get you there. It contains both reference material and detailed how-to instructions to help you become the best you can be. I do hope that you enjoy reading it and get as much out of it as I did writing it.
