blending science and lifestyle recommendations dr reed prescribes eight essentials that will help reverse harmful health habits and prevent disease discover how intentional choices rest environment activity trust relationships outlook and nutrition can put a person on the road to wellness features a three day total body rejuvenation therapy and four phase life transformation plan

today we are in a healthcare crisis all around the industrialized world people are struggling with declining health from childhood obesity to the multiple health related needs and concerns of an aging population millions need help understanding managing or even reversing their maladies hospitals are essential of course but most are set up for episodic care not long term disease management or continuous health improvement so healthcare organizations civic leaders church leaders and philanthropic groups wonder what can be done to help in this timely publication authors stephanie lind of florida hospital and dr susan chase of the university of central florida share important insights and ideas based on a three year pilot project involving faith community nurses conducted in five central florida churches the pilot sought to help congregations establish or grow an existing health ministry team the work was accomplished through a partnership between florida hospital and the winter park health foundation in these pages you ll discover the project goals the methodology and processes used and how others can take what was learned and do something similar or better the project described in this report was one among many

of florida hospital s ongoing efforts to help people understand how practicing the fundamentals of whole person health aids in the prevention of disease and in recovery following an illness i believe the authors have done a remarkable job of demonstrating how hospitals churches and faith community nurses can positively affect the health of entire communities playing a part in transforming our healthcare crisis into a health caring opportunity

making history together how to create innovate strategic alliances to fuel the growth of your company written by keith lowe takes you through the steps of how adventhealth creates and cultivates outstanding strategic alliance relationships and how you can too have you ever wondered how adventhealth creates world class partnerships with companies like disney nike ge ibm philips johnson johnson and bayer now you can discover the secrets for yourself have you ever wondered how adventhealth creates world class partnerships with companies like disney nike ge ibm philips johnson johnson and bayer now you can discover the secrets for yourself in his new monograph entitled making history together how to create innovative strategic alliances to fuel the growth of your company keith lowe takes you through the steps of how adventhealth creates and cultivates outstanding strategic alliance relationships and how you can too

holding on to what is sacred written by dr randy haffner lays out a persuasive vision for how organizations can stay focused on their true values the most intriguing aspect of the monograph is dr haffner s concept of confessional identity it seeks the spiritual heart of an organization s reason for being why because so much is at stake your employees need to know why you exist and why their efforts matter your customers need to know why you really care your leaders need to embrace your core convictions whole heartedly or they will lose direction

are physicians a mystery to many of us yes physicians perform one of the most valuable personal services in the world they care for our bodies in the most intimate of ways we place our lives in their hands and trust they have our best interest at heart but how much do we really know of physicians and their inner world relatively little the environment for practicing medicine has changed dramatically over the past few decades the commoditizing of physicians and their work frequently causes a dehumanization of the doctor and the doctor patient relationship not to mention the connections between physicians and other staff due to the training practice culture constraints liabilities and pressures placed on physicians today they often cannot practice the kind of personalized relationship enhancing medicine that would benefit both patient and caregiver in this monograph dr herdley paolini does a great service by opening the inner world of physicians and helping us understand them how to relate to them and how to best support them in their critical role in healthcare her insights will be of great value to everyone from hospital administrators and clinical staff to insurance providers government agencies and anyone who interacts with physicians the florida hospital healthcare leadership monograph series is an innovative teaching and learning tool from the largest admitting hospital in america monographs in this series provide focused relevant training to individuals and organizations on a wide variety of healthcare and leadership topics ideal for healthcare professionals leadership innovators researchers teachers students and other pioneering professionals each volume provides the latest information and break through thinking on the subject in a clear concise readable form

provides a stimulating glimpse at promising future directions in physician engagement and physician health using case studies from the adventhealth hospital system written by a medical doctor who is also a healthcare administrator foreword by harold g koenig md

simple solutions that everyone can do to create an exceptional patient experience hospitals are so clinically oriented they often overlook the emotional and relational aspects of patient care which is how many patients judge their experience when caregivers let patients know who they are what they do and why they care it creates a great sense of hope trust and belonging

amy robertson has taken her experience of starting a music therapy program from scratch at the largest admitting hospital in america and provided step by step instructions on how others can do the same

presents a guide to the names and specialities of american and canadian publishers editors and literary agents including information on the acquisition process and on choosing literary agents

the soviet polish peace treaty of 1921 also known as the riga peace ended the war of 1919 1920 and may be considered the most important eastern european treaty of the interwar period this deeply researched book offers the first post soviet account of how bolshevik russia and poland came to sign the treaty a pact that established the central part of the soviet western border and provided eastern europe with a measure of stability that lasted until 1939 jerzy borzecki draws on a wealth of untapped materials in russian and polish archives to recreate the negotiations and behind the scenes maneuvers leading to and surrounding the treaty he examines the significance of the agreement not only to its signatories but also to ukraine belarus lithuania and latvia the riga peace represented an authentic compromise between poland and bolshevik russia borzecki shows and he offers new interpretations of other crucial aspects of the negotiations as well

includes selected papers from meetings of the society and of its sections
