recent archaeological discoveries have encouraged scholars to reinvestigate the israelite religion in this book judith hadley uses these discoveries alongside biblical material and non biblical inscriptions to examine the evidence for the worship of asherah as the partner of god in the bible by investigating the khirbet al qom and kuntillet ajrud inscriptions for example where the phrase yahweh and his asherah is frequently in evidence the author asks what the ancient israelites meant by this how they construed the relationship between yahweh and asherah and whether in fact the term actually referred to an object of worship rather than to a goddess the author also evaluates more recent scholarship to substantiate her conclusions this is a detailed and brilliant study which promises to make a significant contribution to the ongoing debate about the exact nature of asherah and her significance in pre exilic israel and judah
