daniel fasting why should we fast the objective of fasting should be to take off our eyes from the worldly things and rather focus on the god fasting is a way to demonstrate to ourselves and to god that we are serious about our relationship with him fasting helps us to gain a renewed reliance and a new perspective of god what can we have to fast from although fasting in scripture almost always means a fasting from food there are other ways for fasting anything that we can give up temporarily to focus on god better can be considered a fast some people might not be able to fast from food such as diabetics but every person can give up something temporarily to focus on the god example tv caffeine smoking etc what fasting is not fasting is not intended for punishing our flesh but for focusing on god fasting should not be considered as a dieting method do not fast for losing weight but instead to gain a deeper association with god fasting is not a means to get the god in order to do what we want fasting will change us not the god how to fast attitude fasting is to be done with a spirit of modesty and joyful attitude we should not appear depressed when we fast or boast about the length of fast fasting is not to show off but to afflict our soul in order that our father in the heaven will answer our prayer we should spend as much time in meditation prayer and reading the word as possible it is important for drawing greatly on strength of lord during our fast for information click on buy button tag daniel fast diet daniel fast guide the daniel cookbook the daniel plan danielfasting the daniel diet daniel fast cookbook daniel fast for weight loss daniel fast recipes daniel fast slow cooker daniel fast smoothies daniel fast beginner the daniel plan cookbook the daniel plan cookbook the daniel fast book daniel fast slow cooker daniel fast beginner the daniel plan cookbook the daniel fast book daniel fast smoothies

fasting especially when ordered by god can destroy the strongholds of evil in our lives and during this transition into the new year we want to make sure we re in god s will and purpose for god has a purpose for everything he does we need to be in his plan and purpose to vibrate fruitfully in our lifestyle

we're never comfortable until we are in his will and plan in fact we are only safe and secure when we are in his presence we have to pray lord show me your presence until we are assured of his nearness and presence as it was said of historic Joseph in Egypt the lord was with Joseph this e-book is therefore targeted at those waiting on God in prayer and fasting in praise and worship for wisdom and health relationships and prosperity whatever you may want from God in the new year this e-book will enable you know how to wait on the lord God Almighty when January comes around everyone wants to do a fasting program of some kind why read this e-book for we know that there is nothing impossible with the God we serve and worship you need to take this e-book to come out of this period greatly transformed and enlightened and you'll experience a higher level of your relationship with God this is a transformation to follow a plan against all the conventional wisdom that allow you to have wisdom and favor health and prosperity the results can be supernatural losing weight and having addictions completely gone people having their bodies transformed and their minds cleared and their relationship with God at a deeper level than ever before what is this e-book about the designation the Daniel Fast highlights the selection of meals and recipes though the emphasis of fasting and prayers is on abstention from meals and words attitudes and behaviors our problems or challenges are never that God is mad at us and punishing us the challenges are to teach us and guide us on the right path to claim and declare the victory of Jesus Christ on the cross for our freedom and well-being any deviation from God's purpose leads us into darkness or disease any abnormal use abuse of our mouth or heart soul or body leads us to difficulties and a period of prayer and fasting will show the lord God Almighty we care and he will lead us out of any difficulties this e-book is about three experiences of biblical Daniel and his friends on exile in Babylon first the Bible in the book of Daniel talks about Daniel and his three friends how they abstained from eating the king Nebuchadnezzar's rich foods which likely were unclean or detestable animals we believe that God is the same yesterday today and forever and so are those things that he created and they're not to be eaten so Daniel decided not to eat the king's rich foods but consume only fruits vegetables and water we believe animal foods are a very important part of our diet if they're raised properly and if they're prepared properly but avoid them this period of fasting and see what happens to you second in biblical times people didn't eat the same way we do or the same times that we do some experts recommend that you barely eat anything in the morning then have medium size meal at lunch and the biggest meal at dinner scientific studies confirm that if you eat in a tighter time window and rest your body the rest of the day you will be leaner your brain will work

better and you'll be healthier you'll find you're sharper when you haven't eaten and your body is running on the reserves and burning fat it's amazing many people can eat the same exact foods in the same amounts in a different more compacted time window same foods same amounts and they lose weight their blood sugar improves and they feel better third this e-book thus includes prayer for your body prayer for your family prayer for salvation of your loved ones

if you're tired of chasing the latest diet fad only to find that you've gained weight it's time to try an entirely different approach the daniel fast for weight loss succeeds where other programs fail because it focuses on your relationship with god as well as on your relationship with food once you discover the pleasures of eating the food god has provided for optimum health you will not want to turn back the daniel fast for weight loss offers a strategic biblically based plan backed by solid research that will eliminate your cravings and help you to drop those unwanted pounds once and for all susan gregory the daniel fast blogger and bestselling author of the daniel fast is back with a spiritual and practical roadmap to this wildly popular 21-day fast for anyone who wants to lose weight and develop a lifestyle of health in a way that honors god way beyond a diet plan the daniel fast for weight loss includes more than 90 new recipes multiple tips for successful fasting a 21-day devotional and practical guidance for maintaining weight loss and good eating habits even after you complete your christ-centered fasting experience embark on a life-changing journey toward happiness and confidence about the body god designed for you
