the purpose of this book is to combine perspectives of scholars from africa on child theology from a variety of theological sub disciplines to provide some theological and ministerial perspectives on this topic the book disseminates original research and new developments in this study field especially as relevant to the african context in the process it addresses also the global need to hear voices from africa in this academic field it aims to convey the importance of considering africa s children in theologising the different chapters represent diverse methodologies but the central and common focus is to approach the subject from the viewpoint of africa s children the individual authors varied theological sub disciplinary dispositions contribute to the unique and distinct character of the book almost all chapters are theoretical orientated with less empirical but more qualitative research although some of the chapters refer to empirical research that the authors have performed in the past most of the academic literature in the field of child theologies is from american or british european origin the african

context is fairly absent in this discourse although it is the youngest continent and presents unique and relevant challenges this book was written by theological scholars from africa focussing on africa s children it addresses not only theoretical challenges in this field but also provides theological perspectives for ministry with children and for important social change written from a variety of theological sub disciplines the book is aimed at scholars across theological sub disciplines especially those theological scholars interested in the intersections between theology childhood studies and african cultural or social themes it addresses themes and provides insights that are also relevant for specialist leaders and professionals in this field no part of the book was plagiarised from another publication or published elsewhere

this book brings the emerging fields of practical theology and theology of the arts into a dialogue beyond the bias of modern systematic and constructive theology the authors draw upon postmodern post secular feminist liberation and dialogical dialectical philosophy and theology and their critiques of the narrow modern emphases on reason and the scientific method as the model for all knowledge such a practical theology of the arts focuses the work of theology on the actual practices that engage the arts in their various forms as the means of interpreting and understanding the nature of the communities and their members as well as the mechanisms through which these communities engage in transformative work to make persons and neighborhoods whole this book presents its theological claims through the careful analysis of several stories of communities around the world that have engaged in transformational practices through a specific art form investigating communities from europe the middle east south america and the u s the case studies explored include jewish christian muslim druze indigenous and sometimes agnostic subjects involved in visual art music dance theatre documentary film and literature theology and the arts demonstrates that the challenges of a postmodern and post secular context require a fundamental rethinking of theology that focuses on discrete practices of faithful communities rather than one dimensional theories about religion

the revised edition of a theology for the church retains its original structure organized under these traditional theological categories revelation god humanity christ the holy spirit salvation the church and last things each chapter within these sections contains answers to the following four questions what does the bible say what has the church believed how does it all fit together how does this doctrine impact the church today contributions from leading baptist thinkers r albert mohler jr paige patterson and mark dever among others will also appeal to the broader evangelical community included in this revision are new chapters on theological method from a missional perspective bruce ashford and keith whitfield and theology of creation providence and sabbath that engages current research in science and philosophy chad owen brand chapters on special revelation david dockery and human nature john hammett have also been updated

in an age of global migration how should christian theologians and church leaders respond to its various challenges and problems what is a fundamental theological framework with which we are to engage in them in this volume ilsup ahn attempts to answer these questions by presenting a trinitarian theology of migration in doing so he first provides an overview of recent theological works on migration by introducing their key theological insights a trinitarian theology of migration becomes possible as we begin to see that the three sacred persons the son the father and the holy spirit are distinctively yet intrinsically involved with the phenomenon of human migration within god s grand vision of liberation and redemption from a trinitarian theological perspective in all stages of human migration from taking leave to getting integrated migrants and citizens are called to join in god s liberative and redemptive works for all the

evangelical theology is a systematic theology written from the perspective of a biblical scholar michael f bird contends that the center unity and boundary of the evangelical faith is the evangel gospel as opposed to things like justification by faith or inerrancy the evangel is the unifying thread in evangelical theology and the theological hermeneutic through which the various loci of theology need to be understood using the gospel as a theological leitmotif an approach to christian doctrine that begins with the gospel and sees each loci through the lens of the gospel this text presents an authentically evangelical theology as opposed to an ordinary systematic theology written by an evangelical theologian according to the author theology is the drama of gospelizing performing and living out the gospel in the theatre of christian life the text features tables sidebars and questions for discussion the end of every part includes a what to take home section that gives students a run down on what they need to know and since reading theology can often be dry and cerebral the author applies his unique sense of humor in occasional comic relief sections so that students may enjoy their learning experience through some theological humor added for good measure

the ailments of the contemporary church are remarkably similar to those suffered by the fractious corinthian church in the first century this is the challenge presented in the malady of the christian body a two volume commentary by brian brock and bernd wannenwetsch the manner in which paul engages questions of factionalism sexuality legal conflict idolatry dress codes and eating habits reveals that neither the malady he diagnoses nor the therapy he offers track the dominant accounts currently on offer of the malaise suffered by today s church this volume depicts the apostle as carefully examining the organic whole that is the body of christ in order to detect obstacles to the healthy flow of powers that sustain its life the therapy that is then

offered comes by way of a redirection of the corinthian believers attention to the ways in which they can embrace god s active working among them to heal their broken unity this book breaks new ground in crossing and reconfiguring the traditional disciplinary boundaries between biblical studies systematic theology and theological ethics

the volumes in belief a theological commentary on the bible from westminster john knox press offer a fresh and invigorating approach to all the books of the bible building on a wide range of sources from biblical studies the history of theology the church s liturgical and musical traditions contemporary culture and the christian tradition noted scholars focus less on traditional historical and literary angles in favor of a theologically focused commentary that considers the contemporary relevance of the texts this series is an invaluable resource for those who want to probe beyond the backgrounds and words of biblical texts to their deep theological and ethical meanings for the church today
